Small-C is an important bit of computer history, being one of the first open source compilers (and one of the first open source applications of any sort) available for the IBM PC. A group of us at IBM in Rochester MN keyed in the original Dr. Dobb's source and ported it to the PC, shortly after the original publication.

Smalls | Definition of Smalls at Dictionary.com

"The world is big and I am small." From the eyes of a baby penguin the world is a great big place. The sky so high, the ocean so deep, and the mountains so steep--all these things are magnificent from it's point of view. But in the eyes of it's mother--this little penguin is the biggest, most important thing in the world!
