Majo no Tabitabi: Once upon a time, there was a witch named Elaina, who set off on a journey across the world. Along the way, she would meet all kinds of people, from a country full of witches to a giant in love with his own muscles—but with each meeting, Elaina would become a small part of their story, and her own world would get a little bit bigger.

With most of Rabbit's zombie army out of the way, only one thing stands between Ox and Tiger and taking down Rabbit for good—Monkey. Her sheer strength and power, once disciplined in life, are completely unhinged in death, making her far and away the strongest fighter! With only four fighters and one zombie remaining, who will come out victorious? Don't miss the thrilling, unexpected conclusion to the twelfth Zodiac War! -- VIZ Media

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

". . . author Sarah Andersen uses hilarious (and adorable) comics to illustrate the very specific growing pains that occur on your way to becoming a mature, put-together grownup. Andersen's spot-on illustrations also show how to navigate this newfound adulthood once you arrive, since maturity is equally as hard to maintain as it is to find ... " --The Huffington Post Sarah valiantly struggles with waking up in the morning, being productive, and dealing with social situations. Sarah's Scribbles is the comic strip that follows her life, finding humor in living as an adulating introvert that is at times weird, awkward, and embarrassing. The third collection of Sarah's Scribbles comics includes never-before-published comics and an illustrated essay about struggles with sexism, personal growth, and the rewards and challenges of sharing your creative work with millions of readers online.

Showcases artwork from the comic book "Naruto" that encompasses everything from pencil roughs to original pages and finished covers that span the life of the comic, along with an interview with comic book's creator.

Class 1-A is working on developing their ultimate moves—a process that will test their strength and creativity in all-new ways! To help them out, Mei Hatsume, a student from the Support Course, is brought in to develop improvements to their costumes. The attention from Mei might be more than Midoriya can handle, but he'll need every edge he can get to pass the next hurdle for the students of U.A.—the Provisional Licensing Exam! -- VIZ Media

A day planner for Fairy Tail guild members: students, grown-ups, and S-class wizards alike! Also includes "Fairy Tail of the Dead," an exclusive 20-page Fairy Tail story by Hiro Mashima! This planner is full of color Fairy Tail illustrations, games, quizzes, character interviews, and even bonus manga in the back by Fairy Tail creator Hiro Mashima that you can't read anywhere else! It even includes stickers, so you can customize it and make your planner totally unique. This day planner can be used for the academic year for students, or for the upcoming calendar year.

Following up on the high note of family ties on which the previous installment concluded, but preceding it chronologically, we find Araragi and his little sister Tsukihii, the heroine of the last volume, in full sibling rivalry mode as they bicker about love. The conversation that cannot end unfolds in its unabashed original glory herein. Like KIZUMONOGATARI, which delved into our narrator's disastrous spring break, Cat Tale (Black) is a prequel about another catastrophe, mentioned often yet never recounted even in a foregoing chapter dedicated to Miss H.: namely, the model student's rampage over Golden Week, a string of holidays starting at the end of April. Closing out what has come to be known as the "First Season" of the series, this episode of 'GATARI, as rich as ever in silly banter and poignant profundities, richer than usual in snide meta comments about the anime, will make you laugh and cry, or just put a grownup smile on your face, maybe, but is guaranteed to stay with you forever.

Merilee Hart has been doing her best to keep things together since her mother left, her art a welcome escape from her depressing new reality. But things seem to go even more awry the moment her next door neighbor's enigmatic and mysterious nephew arrives from South Korea. Lee is moody, cocky, and utterly infuriating. But when Merri's closest friends betray her and her father crushes her dream of going to art school, Merri finds herself drawn to Lee, who seems to live within even greater shadows than her own. And just when she thought things couldn't get crazier, Merri's world is upended when she discovers Lee's big and bizarre secret*f.f.,f.f.,f.,f.,f.,f.,f.*he is none other than a runaway member of the K-pop mega-group Thunder.

An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding prequel to Practical Magic. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in Practical Magic, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers "fairy-tale promise with real-life struggle" (The New York Times Book Review) in a story how the only remedy for being human is to be true to yourself. Thrilling and exquisite, real and fantastical, The Rules of Magic is "irresistible...the kind of book you race through, then pause at the last forty pages, savoring your final moments with the characters" (USA TODAY, 4/4 stars).
