Chapter 41. America Confronts the Post-Cold War Era. 1992-2011 . Bill Clinton: The First Baby-Boomer President. For the election of 1992, the Democrats chose Bill Clinton as their candidate (despite accusations of womanizing and draft evasion) and Albert Gore, Jr. as his running mate. The Democrats tried a new approach, promoting growth, strong defense, and anticrime policies, while campaigning to stimulate the economy.

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all

year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Includes the contract, explains the contract, and replaces myths about the plan with facts

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

AP U.S. History Crash Course Achieve a Higher AP Score in Less Time REA's Crash Course is perfect for the time-crunched student, last-minute studier, or anyone who wants a refresher on the subject! When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® U.S. History!

Examines the causes of the financial crisis that began in 2008 and reveals the weaknesses found in financial regulation, excessive borrowing, and breaches in accountability.

It was one of the pivotal times of the twentieth century--during George Bush's presidency, an extraordinary series of international events took place that materially changed the face of the world. Now, former President Bush and his national security advisor, Brent Scowcroft, tell the story of those tumultuous years. Here are behind-the-scenes accounts of critical meetings in the White House and of summit conferences in Europe and the United States, interspersed with excerpts from Mr. Bush's diary. We are given fresh and intriguing views of world leaders such as Mikhail Gorbachev, Boris Yeltsin, Margaret Thatcher, Helmut Kohl, and François Mitterrand--and witness the importance of personal relationships in diplomacy. There is the dramatic description of how President Bush put together the alliance against Saddam Hussein in the Gulf War. There are the intensive diplomatic exchanges with Beijing following the events of Tiananmen Square, and the intricate negotiations leading up to German reunification. And there is the sometimes poignant, sometimes grim portrayal of Gorbachev's final years in power. A World Transformed is not simply a record of accomplishment; Bush and Scowcroft candidly recount how the major players sometimes disagreed over issues, and analyze what mistakes were made. This is a landmark book on the conduct of American foreign policy--and how that policy is crucial to the peace of the world. It is a fascinating inside look at great events that deepens our understanding of today's global issues.
