of beginning readers. The teacher helps students learn to use reading strategies, such as context clues, letter and sound knowledge, and syntax or word structure, as they read a text or book that is unfamiliar to them.

Guided Reading in the Primary Classroom | Scholastic

What is Guided Reading
Guided Reading is an essential part of any early literacy program. In a guided reading session within the classroom, students are placed into small groups according to their level of reading ability. Of course, even in a small group there are differences in reading ability, as every student is different.

Focused/Guided Reading KS2 - Assessment and Resources

Guided reading is informed by Vygotsky's (1978) Zone of Proximal Development and Bruner's (1986) notion of scaffolding, informed by Vygotsky's research. The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance.
