Black Los Angeles : American dreams and racial realities ...

If our city loses its middle class it loses its heart. Los Angeles has long been a repository for a wide range of American dreams, from fleeing conflict in pursuit of safety, shelter and hope, to reinventing oneself as an artist, writer or space engineer. For seekers from the American South, Northern Plains, Central America, Southeast Asia or just across the border, this city has demonstrated a tremendous capacity to accommodate the burdens and privileges of the 21st century.
