Software Maintenance Software

maintenance is not about fixing wear and tear. Software is not physical, and therefore it does not degrade by itself the way physical things do.

1. Introduction - Building Maintainable Software, Java ...

Download Ebook Building Maintainable Software Sig

Maintainability is not the first topic of discussion when mantra is "build software to throw away". We're in an age of consumerism in software. We reinvent large pieces of software because we don't have a grip on existing ones to be able to repair or extend them. All the known acronyms including NIH are at work.
