While the most efficient solutions are presented in the text, MacArthur strongly believes that there are an infinite number of ways to solve any particular problem and that a student learns more from the journey to the solution than from the destination itself.

~~WebAssign—Business Algebra 2nd edition~~

AUTHOR BIO The primary goal of Business Algebra is to bring as simple, organized and straight-forward of an approach to business algebra as possible. Many students are somewhat mathemaphobic and are intimidated by mathematics textbooks.
