"The Frédéric Chopin Annik LaFarge presents here is not the melancholy, sickly, romantic figure so often portrayed. The artist she discovered is, instead, a purely independent spirit: an innovator who created a new musical language, an autodidact who became a spiritually generous, trailblazing teacher, a stalwart patriot during a time of revolution and exile. In Chasing Chopin she follows in his footsteps during the three years, 1837-1840, when he composed his iconic "Funeral March"-dum dum da dum-using its composition story to illuminate the key themes of his life: a deep attachment to his Polish homeland; his complex relationship with writer George Sand; their harrowing but consequential sojourn on Majorca; the rapidly developing technology of the piano, which enabled his unique tone and voice; social and political revolution in 1830s Paris; friendship with other artists, from the famous Eugène Delacroix to the lesser known, yet notorious in his time, Marquis de Custine. Each of these threads-musical, political, social, personal-is woven through the "Funeral March" in Chopin's Opus 35 sonata, a melody so famous it's known around the world even to people who know nothing about classical music. But it is not, as LaFarge discovered, the piece of music we think we know. As part of her research into Chopin's world, then and now, LaFarge visited piano makers, monuments, churches, and archives; she talked to scholars, jazz musicians, video game makers, software developers, music teachers, theater directors, and of course dozens of pianists. The result is extraordinary: an engrossing, page-turning work of musical discovery and an artful portrayal of a man whose work and life continue to inspire artists and cultural innovators in astonishing ways"--

Nearly 300 letters reveal Chopin as both man and artist and illuminate his fascinating world — Europe of the 1830s and 1840s. "Delightful gossip . . . merry rather than malicious . . . engagingly witty." — Books. Preface. Index.

"Nothing could be more spontaneous and ebullient than Chopin's letters." "Books" "Perhaps no composer's letters are so kindred to his music, and reminiscent of the impression produced by it, as Chopin's are." "The New York Times" This superbly edited selection of nearly 300 of Chopin's letters, the first to be published in English, vividly reveals the composer as man and artist, and evokes the remarkable age Europe of the 1830s and 1840s he shared with an equally remarkable cast of characters, from Jenny Lind to Isabella II of Spain, from Queen Victoria to George Sand, from Heinrich Heine to Victor Hugo. The tone of the letters is exuberantly engaging: "They abound in delightful gossip, they are merry rather than malicious, they are engagingly witty, and at times their humor becomes positively Rabelaisian" (Peter Bowdoin, "Books"). Their contents offer rare glimpses into Chopin's childhood environment, his mind and character, his tragic love for George Sand, the origins of many of his compositions, the various musical influences that shaped his creative ideas and habits, and the artistic circles in which he moved. Originally collected by the Polish musicologist Henryk Opienski, the letters have been translated and annotated by Chopin scholar E. L. Voynich. Students and admirers of Chopin will find in their pages vast resources to deepen their love and appreciation for and wonderment at the unique individuality and achievement of this great musical personality. "

A New York Times Book Review Editors' Choice. The Sunday Times (U.K.) Classical Music Book of 2018 and one of The Economist's Best Books of 2018. "A magisterial portrait." --Corinna da Fonseca-Wollheim, The New York Times Book Review A landmark biography of the Polish composer by a leading authority on Chopin and his time Based on ten years of research and a vast cache of primary sources located in archives in Warsaw, Paris, London, New York, and Washington, D.C., Alan Walker ' s monumental Fryderyk Chopin: A Life and Times is the most comprehensive biography of the great Polish composer to appear in English in more than a century. Walker ' s work is a corrective biography, intended to dispel the many myths and legends that continue to surround Chopin. Fryderyk Chopin is an intimate look into a dramatic life; of particular focus are Chopin ' s childhood and youth in Poland, which are brought into line with the latest scholarly findings, and Chopin ' s romantic life with George Sand, with whom he lived for nine years. Comprehensive and engaging, and written in highly readable prose, the biography wears its scholarship lightly: this is a book suited as much for the professional pianist as it is for the casual music lover. Just as he did in his definitive biography of Liszt, Walker illuminates Chopin and his music with unprecedented clarity in this magisterial biography, bringing to life one of the nineteenth century ' s most confounding, beloved, and legendary artists.

This collection contains 46 pieces: Ballade No. 1 in G Minor, Berceuse, 3 ecossaises, 5 etudes, Fantaisie-Improptu, "Marche Fun è bre" from Sonata No. 2, 8 mazurkas, 7 nocturnes, 3 polonaises (including the enormously popular "Militaire"), 9 preludes, Scherzo No. 2 in B-flat Minor, and 6 waltzes (including the "Minute Waltz"). Reprinted from authoritative sources.

Includes theme from "Raindrop" Prelude, "Minute" Waltz, "Lullaby," "Fantaisie-impromptu," "Butterfly" Etude, "Military" and "Heroic" Polonaise, plus melodic highlights from the most familiar preludes, mazurkas, waltzes, and etudes. Features 23 piano arrangements. Bonus MP3 downloads are included for each song.

A new edition of Adam Zamoyski's definitive biography of Chopin, first published in 1979 and unavailable in English for many years.

Frederic Chopin, a Polish virtuoso pianist and piano composer of the Romantic period, is widely regarded as the greatest Polish composer, and one of the most influential composers for piano in the 19th century. Franz Liszt was a Hungarian composer and virtuoso pianist of the 19th century. This book is not so much a biography of Chopin as it is a way of better understanding Liszt and the circumstances of his time. Though critics of Liszt's book have assailed it for various literary infractions, it is not without merit. There is much to be learned within its pages about both Chopin and Liszt.

Frédéric Chopin: A Research and Information Guide is an annotated bibliography concerning both the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him, his compositions, and his influence as a composer. The second edition includes research published since the publication of the first edition and provides electronic resources.
