Download 2019 level 1 English practice tests and sample tests and prepare for your exam. We recommend using past papers by the same awarding body as your course and test.

Since the early modern era, historians and observers of Spain, both within the country and beyond it, have identified a peculiarly Spanish disdain for work, especially manual labor, and have seen it as a primary explanation for that nation's alleged failure to develop like the rest of Europe. In "Lazy, Improvident People" the historian Ruth MacKay examines the origins of this deeply ingrained historical prejudice and cultural stereotype. MacKay finds these origins in the ilustrados, the Enlightenment intellectuals and reformers who rose to prominence in the late eighteenth century. To advance their own, patriotic project of rationalization and progress, they disparaged what had gone before. Relying in part on late medieval and early modern political treatises about "vile and mechanical" labor, they claimed that previous generations of Spaniards had been indolent and backward. Through a close reading of the archival record, MacKay shows that such treatises and dramatic literature in no way reflected the actual lives of early modern artisans, who were neither slothful nor untalented. On the contrary, they behaved as citizens, and their work was seen as dignified and essential to the common good. MacKay contends that the ilustrados' profound misreading of their own past created a propagandistic myth that has been internalized by subsequent intellectuals. MacKay's is thus a book about the notion of Spanish exceptionalism, the ways in which this notion developed, and the burden and skewed vision it has imposed on Spaniards and outsiders. "Lazy, Improvident People" will fascinate not only historians of early modern and modern Spain but all readers who are concerned with the process by which historical narratives are formed, reproduced, and given authority.

Now in its third edition, this successful must-have manual is thoroughly updated with new chapters and material, covering issues including: * Technology development - the different types of travel agency systems available, what they do, how they do it and how to use them * The Internet - how it is used to book travel, forecasts for its future use and how travel agents stand in relation to it * Global distribution systems - how to make bookings, and the new windows-based environment * A full endorsement by Travel Weekly The manual demonstrates correct methods for processing travel reservations, identifying business client needs and suitable documentation. It also shows key facts for the profitable planning, organization and operation of the retail travel agency. Each chapter contains exercises pertinent to the topics covered. Students on any of the large number of courses in travel and tourism (ICM, City & Guilds, ABTA, IATA, UFTAA, BTEC, SCOTVEC, University of Oxford Certificate, Diploma of Vocational Education) will find this book invaluable.

Hillier is a friendly guide for those new to the world of further and adult education or for those... finding themselves required for the first time to work towards a formal teaching qualification.' Richard Sykes, Studies in the Education of Adults 'This is a useful book... [It] systematically covers the FENTO standards for teaching and supporting learning in further education..' Ron Kirby, 'Youth & Policy This second edition of the best-selling textbook Reflective Teaching in Further and Adult Education has been extensively revised and updated throughout. The book has: - An updated chapter on new government policy in lifelong learning. - Details of the changing qualifications framework, foundation degrees and e-learning - An expanded chapter on professional practice - New sections on disability awareness, working with young people, and new technologies. - Checklists, examples, scenarios and figures to aid learning - Chapter summaries to aid navigation of the text - A guide to the FENTO standards at the end of each chapter - Guides for further reading and websites - A glossary of unfamiliar terms This comprehensive, accessibly-written textbook is a practical resource which will be invaluable to teachers in further and adult education, whether in-training or in-service.
