# Read Book Communication Skills References

I received an awesome email from a reader the other day. Before reading *11 Practical Ways to Sharpen Your Communication Skills*, she thought being a good communicator was all about having the right genetics or personality. When she realized it's possible to learn communication skills, an entire realm of possibilities opened up.. As a result, a fire was lit under her.

## 6 Books to Boost Your Communication Skills

Remember, each and every citation in the text of the paper **MUST** have a full reference displayed in the reference list. The citations in the text provide the reader with a quick glimpse about the sources used, but the references in the reference list provide the reader with all the information needed to seek out the source themselves.
