Textbook on Criminal Law, now in its thirteenth edition, has been providing students of criminal law with a readable and reliable introduction to the subject for the past twenty years. This thorough text enables readers to feel confident in their knowledge of the law, while its conciseapproach ensures they are not overwhelmed.This new edition has been fully updated to include all of the latest case law and statutory changes. The author's lively writing style and thought-provoking commentary on judicial and legal decisions means that the text is entertaining as well as accurate. The text includes helpful features, suchas, highlighted case fact summaries, questions, examples, and key points. These ensure that the information provided is broken down and easy to comprehend. Further reading sections provide students with a carefully selected starting point for further research.In short, students at degree level or above, studying criminal law for the first time should not be without this book.Online Resource CentreRegular online updates ensure that the book stays current after publication, and an online chapter on Misuse of Drugs Act Offences ensures that the book caters to a wide variety of courses. Also, a bank of over 100 multiple choice questions will help you test your growing knowledge of criminallaw.

Cases & Materials on Constitutional and Administrative Law provides you with a comprehensive selection of legal resources to accompany your studies. Extracts from leading cases, academic works, and political documents are drawn together with incisive author commentary and thought-provoking questions to highlight the historical debates and ongoing development of the subject. The authors take a critical look at the doctrines of constitutional law and the principles of administrative law, showing how the constitution operates in relation to Parliament, the Executive, and the citizen. The eleventh edition has been fully revised and updated with new extracts and commentary from recent case law and legislation, and also features a new chapter on devolution.

Does an offender have the right to be punished? "The right to be punished" may sound like an oxymoron, but it is not necessarily so. With the emergence of modern criminal law, the offender gained the right to be punished by rational criminal law rather than being lynched by an angry mob. The present-day offender may have the right to be punished by doctrinal sentencing rather than being subjected to verdicts based on vague, unclear, and uncertain principles. In modern criminal law, the imposition of criminal liability follows accurate and strict rules, whereas there are no similar rules for the imposition of punishment. The process of sentencing is vague and obscure, as are the considerations used for the imposition of punishments. The objective of the present book is to propose a comprehensive, general, and legally sophisticated theory of modern doctrinal sentencing. The challenges of such a legal theory are plenty and complex. In addition to increasing clarity and certainty, modern doctrinal sentencing must deal with modern types of delinquency (e.g. organized crime, recidivism, corporate offenders, high-tech offenses, etc.) and modern principles of criminal law. Modern doctrinal sentencing must serve to ensure optimal sentencing.

Criminal Law, now in its fourteenth edition, has been providing students with a readable and reliable introduction to this fascinating subject for over twenty-five years. This thorough text enables readers to feel confident in their knowledge of the law, while its concise approach ensures that they are not overwhelmed. The author's lively writing style and thought-provoking commentary on judicial and legal decisions means that the text is entertaining as well as accurate. New to this edition is an expanded introductory chapter offering students an in-depth contextual understanding of the principles underpinning the law and the social context in which they function. New end-of-chapter 'The law in context' features expand on this initial investigation offering students further contextual insights into the law under discussion. The text includes other helpful features, including, highlighted case fact summaries, questions, examples, and key points. These features ensure that the information provided is broken down and easy to comprehend. Further reading sections provide students with a carefully selected starting point for further research. In short, any student studying criminal law for the first time should not be without this book. Online Resource Centre www.oxfordtextbooks.co.uk/orc/allen14e/ This text is accompanied by a selection of online resources to support and further student learning, including - DT Multiple choice questions DT Legal updates DT An additional chapter on Misuse of Drugs Act Offences

Derived from the renowned multi-volume International Encyclopaedia of Laws, this book provides a practical analysis of criminal law in Hong Kong. An introduction presents the necessary background information about the framework and sources of the criminal justice system, and then proceeds to a detailed examination of the grounds for criminal liability, the justification of criminal offences, the defences that diminish or excuse criminal liability, the classification of criminal offences, and the sanctions system. Coverage of criminal procedure focuses on the organization of investigations, pre-trial proceedings, trial stage, and legal remedies. A final part describes the execution of sentences and orders, the prison system, and the extinction of custodial sanctions or sentences. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable resource for criminal lawyers, prosecutors, law enforcement officers, and criminal court judges handling cases connected with Hong Kong. Academics and researchers, as well as the various international organizations in the field, will welcome this very useful guide, and will appreciate its value in the study of comparative criminal law.

The ninth edition of Textbook on Criminal Law continues to closely match the coverage requirements of criminal law courses. The concise and lively writing style adopted brings clarity to the subject without compromising accuracy and detail. The popularity of the book lies in its engaginganalysis that draws the student in, displaying a welcome lack of restraint when challenging the decisions of the judiciary or the legislature. The author draws on his considerable teaching and examining experience to make complex areas easily understandable through a straightforward and jargon free approach that helps students feel comfortable with the subject, whilst encouraging wider debate on the underlying principles. Students studyingcriminal law for the first time are provided with the ideal balance of coverage and detail that makes the subject accessible. The book is accompanied by an Online Resource Centre offering twice-yearly updates to key cases and legislation.

Textbook on Criminal Law covers all of the topics studied on undergraduate, CPE, and GDL criminal law courses, combining exposition of the current state of the law with academic critique, and providing the ideal balance of coverage and detail.

For the past three decades, many history professors have allowed their biases to distort the way America ' s past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America ' s patriots and the achievements of " dead white men. " As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot ' s History of the United States corrects those doctrinaire biases. In this groundbreaking book, America ' s discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America ' s true and proud history.

Justice, Crime, and Ethics, a leading textbook in criminal justice programs, examines ethical dilemmas pertaining to the administration of criminal justice and professional activities in the field. Comprehensive coverage is achieved through focus on law enforcement, legal practice, sentencing, corrections, research, crime control policy, and philosophical issues. The contributions in this book examine ethical dilemmas pertaining to the administration of criminal justice and professional activities in the field.
