An indispensable handbook for assisting clients in crisis and in their journey toward healing Integrating practical training with both research and theory,Fundamentals of Crisis Counseling offers students and professionalsproven hands-on techniques to assist clients in recovery fromcrisis and towards an eventual return to their day-to-daylives. Written in the author's gentle yet purposeful voice, thisreader-friendly guide is filled with lessons on currentevidence-based counseling, how to operate as a client stressmanager, and information on finding resources that facilitateclient resilience. In addition, the author helps counselors improvecounseling effectiveness by gaining a better understanding of theirown strengths and weaknesses and emphasizes the importance ofself-care. Stemming from the author's thirty-five years of experience as acrisis counselor, this book contains valuable information on: Crisis theory and intervention models Concepts, techniques, assessment, and treatment for disastermental health work Legal and ethical concerns regarding working with individuals,groups, couples, and families Assessment and instrument selection Main concepts and techniques of brief therapy, motivationalinterviewing, stages of change, positive psychology, grief therapy,client resilience, and spiritually Multicultural crisis counseling techniques centered on age,gender, sexual orientation, and ethnicity Counselor self-care complete with case studies and examples Ideal for all mental health professionals looking for guidanceon best practices in crisis counseling, this book is also suitablefor training professionals and counseling students. The bookincludes access to an online instructor's test bank, PowerPointslides, and syllabi in line with 2009 Council for Accreditation ofCounseling and Related Educational Programs (CACREP) standards. Fundamentals of Crisis Counseling imparts useful knowledge onlittle utilized crisis counseling abilities, preparing counselorsat every stage to effectively respond to the immediate and lastingaffects of crisis.

Essentials of Supervision presents, in the popular Essentials format, the key information students need to learn in a course on supervision. Utilizing pedagogical tools such as call-out boxes, Test Yourself questions, and case studies, the author provides step-by-step guidelines for effective planning, goal setting, and evaluation, along with tips for giving constructive feedback and applying coaching strategies to motivate supervisees. She also clearly explains how to manage paperwork and describes specialized techniques, such as using video in supervision. This informative text also includes a special section on ethics authored by a leading expert in the field.

Provides common-sense counseling advice for helping people troubled by depression, grief, illness, divorce, family problems, or rape

Jeannine R. Studer's The Essential School Counselor in a Changing Society offers a practical approach to helping students understand the methods and standards in contemporary school counseling. Integrating the new ASCA model as well as the CACREP Standards across all areas of school counseling practice, this core text provides a unique and relevant perspective on the 21st century school counselor. Studer focuses on ethics and ethical decision making, as well as contemporary issues faced by today's counselor/such as crisis response, career counseling and advisement, group counseling, advocacy, and collaboration. The text begins with coverage of school counseling foundations, addresses intervention and prevention, and devotes the final section to enhancing academics through a positive school culture. !Not only does this text address the CACREP standards for school counseling but it also provides excellent examples and applications of school counseling within the ASCA National Model framework!! !Karen D. Rowland, Mercer University !This text is a valuable contribution to the profession, addressing the multi-dimensional and complex roles and responsibilities of the 21th century school counselor. It is a foundational text that counselor-educators can utilize throughout a master's degree program in mentoring interns into the profession.!!Diana L. Stephens, California Lutheran University

Featuring new chapters on bullying, sexual assault, natural disasters, eating disorders, and cultural considerations, the second edition of this highly popular Handbook provides a one-stop reference for mental health professionals who face a bewildering variety of school-based crises. Key features include a focus on both prevention and intervention and ongoing discussions of the research that underlies best practice. Like the first edition, chapters follow a parallel structure that includes: "the incidence, prevalence, and impact of the crisis," "theories regarding precipitating factors," "discussion of who is at risk for encountering the crisis," "primary prevention activities," "methods of working with high-risk clients," "developmentally-appropriate methods and intervention activities for individuals, and "developmentally-appropriate methods and activities for groups. The result is an unusually coherent volume that is suitable for graduate work in school psychology, school counseling, school social work, and school nursing, or as a reference work for in-service practitioners.

ESSENTIALS OF INTENTIONAL INTERVIEWING, 3rd Edition, delivers a more concise and reader-friendly version of the Iveys' bestselling INTENTIONAL INTERVIEWING AND COUNSELING-one in which every sentence and concept has been reviewed to ensure both relevance and clarity for beginning helpers. The book's multicultural focus reflects the diverse nature of today's classroom-and society. The Third Edition retains the authors' renowned microskills model, which revolutionized modern understanding of the counseling and therapy process by teaching students vital interviewing skills step-by-step. This demystifying process breaks down counseling into manageable micro units and builds a bridge between theoretical understanding, mastery of the skills, and the practice of counseling. New to this edition are a chapter on crisis counseling, basic information on neuroscience as it relates to interviewing, brief summaries of key theories of helping, and revised practice exercises. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Crisis Assessment, Intervention, and Prevention, 2/e byLisa Jackson-Cherry and Bradley Erford is the most effective training tool available for various mental health professionals preparing to help in crisis situations. A concise and informative resource for mental health professionals, this textbook is filled with vital information on assessing and reacting to various crises of our time, presenting the most important topics related to successfully intervening and responding in a series of crisis situations that warrant adequate preparation by helping professionals from all subsets of the community. Uniquely, the book includes perspectives and roles of clinical mental health counselors, school counselors, and pastoral counselors when assisting in crisis situations, and includes vital information on assessing and reacting to various crises of our time. Readers will be presented with the most important topics related to successfully intervening and responding in a series of crisis situations that are unfortunately common, but warrant preparation by helping professionals today. The topics cover the basics and overview of crisis intervention, how to react, the essentials of crisis intervention, understanding grief and loss, intervening with clients who are suicidal, the violence between intimate partners, child victims of sexual assault and abuse, adult sexual assault and sexual abuse victims, addressing substance abuse and dependence within the crisis context, emergency preparedness, and counseling military families. The authors also address topics such as death notifications, diagnostic impressions, and homicidal risk, assessment, field experiences, and diverse activities, and integrate the approaches from various counseling specialties. Examples and case studies are included in each chapter. Written as a training resource for various mental health professionals in the field including clinical mental health counselors, school counselors, and pastoral counselors, similarly, schools of social work, psychology, and criminal justice will find applicable information for how to address crisis situations. Graduate programs as well as upper level undergraduate programs will find this book an effective tool in teaching crisis intervention to their students.
