death. Death penalty or capital punishment means the intentional killing of a person who is guilty to have committed a certain crime. After a legal trial, the person is sentenced to death. The way by which the death is put into effect depends on the country and its laws. Death penalty or capital

Online Library Death Penalty Paper Outline

punishment is a very controversial topic concerning political, judicial and moral issues. This paper will be about the death penalty prior in the United States of America. In part I, I will present some facts and figures as well as give a short introduction to death penalty in general. I think it will be

Online Library Death Penalty Paper Outline

also necessary to outline the history of the death penalty in the United States. I will give a short overview of the most important developments from colonial times until the 1950s. The 1960s constituted a big challenge for the legality and constitutionality of the death penalty. That is why I will

Online Library Death Penalty Paper Outline

analyze this period in particular in Part II of this work. I will present selected Supreme Court Cases and their decisions. Thus, I will try to e

Many studies during the past few decades have sought to determine whether the death penalty has any

Online Library Death Penalty Paper Outline

deterrent effect on homicide rates. Researchers have reached widely varying, even contradictory, conclusions. Some studies have concluded that the threat of capital punishment deters murders, saving large numbers of lives; other studies have concluded that executions

Online Library Death Penalty Paper Outline

actually increase homicides; still others, that executions have no effect on murder rates. Commentary among researchers, advocates, and policymakers on the scientific validity of the findings has sometimes been acrimonious. Against this backdrop, the National Research Council report

Online Library Death Penalty Paper Outline

Deterrence and the Death Penalty assesses whether the available evidence provides a scientific basis for answering questions of if and how the death penalty affects homicide rates. This new report from the Committee on Law and Justice concludes that research to date on the effect of

Online Library Death Penalty Paper Outline

capital punishment on homicide rates is not useful in determining whether the death penalty increases, decreases, or has no effect on these rates. The key question is whether capital punishment is less or more effective as a deterrent than alternative punishments, such as a life

Online Library Death Penalty Paper Outline

sentence without the possibility of parole. Yet none of the research that has been done accounted for the possible effect of noncapital punishments on homicide rates. The report recommends new avenues of research that may provide broader insight into any deterrent effects from

Online Library Death Penalty Paper Outline

both capital and noncapital
punishments.

Annotation In the US, murderers,
particularly those sentenced to death,
are usually considered as entirely
different from the rest of us.

Sociologist Susan F. Sharp challenges

Page 50/67

Online Library Death Penalty Paper Outline

grade: 1, , language: English, abstract:
The aim of this paper is to describe to
what extend the public opinion about
capital punishment in the United
States has changed and to outline the
reasons for that. Based on the
hypothesis that support has generally
dropped, this paper provides an

Online Library Death Penalty Paper Outline

overview why and when support slowly started to decrease. The examinations are limited to approximately the last twenty-five years, and the three main chapters are structured according to the time periods of the then-ruling presidents. They respectively comprise

Online Library Death Penalty Paper Outline

information about the president ' s death penalty policy, the changes in law, some incidents that have occurred, as well as the development in people ' s attitude. Consequently, it can be concluded that more and more Americans oppose the death penalty as the system ' s fallibility and

Online Library Death Penalty Paper Outline

inefficiency are becoming obvious. However, while moral positions have not changed significantly, the impossible flawlessness and expensive application of the death penalty triggered many shifts in opinion.

Two distinguished social and political

Online Library Death Penalty Paper Outline

philosophers take opposing positions in this highly engaging work. Louis P. Pojman justifies the practice of execution by appealing to the principle of retribution: we deserve to be rewarded and punished according to the virtue or viciousness of our actions. He asserts that the death

Online Library Death Penalty Paper Outline

penalty does deter some potential murderers and that we risk the lives of innocent people who might otherwise live if we refuse to execute those deserving that punishment. Jeffrey Reiman argues that although the death penalty is a just punishment for murder, we are not morally

Online Library Death Penalty Paper Outline

obliged to execute murderers. Since we lack conclusive evidence that executing murderers is an effective deterrent and because we can foster the advance of civilization by demonstrating our intolerance for cruelty in our unwillingness to kill those who kill others, Reiman

Online Library Death Penalty Paper Outline

concludes that it is good in principle to avoid the death penalty, and bad in practice to impose it.

"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan

Online Library Death Penalty Paper Outline

Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter

Online Library Death Penalty Paper Outline

McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship - and transformed his understanding of mercy and justice forever."--Back cover.

Online Library Death Penalty Paper Outline

Built around practical exercises, this book helps students to practise and master core reading and writing skills crucial to the successful study of philosophy.

Prospects for the future.

Page 61/67

Online Library Death Penalty Paper Outline

From 1965 until 1980, there was a virtual moratorium on executions for capital offenses in the United States. This was due primarily to protracted legal proceedings challenging the

Online Library Death Penalty Paper Outline

death penalty on constitutional grounds. After much Sturm und Drang, the Supreme Court of the United States, by a divided vote, finally decided that "the death penalty does not invariably violate the Cruel and Unusual Punishment Clause of the Eighth Amendment." The Court's

Online Library Death Penalty Paper Outline

decisions, however, do not moot the controversy about the death penalty or render this excellent book irrelevant. The ball is now in the court of the Legislature and the Executive. Legislatures, federal and state, can impose or abolish the death penalty, within the guidelines prescribed by

Online Library Death Penalty Paper Outline

the Supreme Court. A Chief Executive can commute a death sentence. And even the Supreme Court can change its mind, as it has done on many occasions and did, with respect to various aspects of the death penalty itself, during the moratorium period. Also, the people can change their

Online Library Death Penalty Paper Outline

minds. Some time ago, a majority, according to reliable polls, favored abolition. Today, a substantial majority favors imposition of the death penalty. The pendulum can swing again, as it has done in the past.
