No longer merely a subspecialty, pediatric anesthesia is now a professional entity in its own right, as is amply demonstrated in this comprehensive addition to the medical and surgical literature. Pediatric Anesthesia: Basic Principles--State of the Art--Future contains the contributions of 220 international experts from all five continents. This is the only textbook of its kind that has such a strong international representation of the very best authorities in the field. This textbook will help anesthesiologists already interested in pediatric anesthesia to the knowledge and skills inherent to the safe practice of anesthesia for infants and children.

On good days, cats are known for their poise, discerning tastes and impeccable personal hygiene. On other days they seem to make it their mission in life to shred our toilet paper, puke on our most prized possessions and potty in whatever house plant appears to be your favorite. Cat-astrophe features sassy memes of these fluffy pranksters, caught in the most hilarious, most shameful and all-to-well-known feline misdeeds, clearly enacted with little to no remorse. Cat lovers everywhere will identify with and giggle through the frustrations of the day as this hilarious book reminds us that unconditional love goes both ways.

A title in the popular RSPCA pet care series, which is being relaunched with completely revised and updated content and fresh new covers. Written by animal experts, these illustrated guides provide all the practical advice needed to care for your pet. This easy-to-use family guide is full of helpful advice on how to choose a guinea pig and how best to look after it. All aspects of daily care are covered, including housing, feeding, hygiene, grooming, health, and first aid. This practical guide is clearly illustrated with colour photographs throughout, and is published in association with the RSPCA, the UK's leading animal welfare charity.

Provides a collection of authoritative articles from distinguished international researchers in information technology and Web engineering.

Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
