minded people in a busy world. In this aspirational guide, self-taught French artist France Belleville-Van Stone emboldens readers to craft a ritual of their own and devote more time to art, even if it's just 10 minutes a day. She offers motivation to move beyond the comfort zone, as well as instruction on turning rough sketches into finished work.

Belleville Van-Stone learned how to draw through her own daily practice and knows first-hand how hard it is to find time to incorporate creativity into a busy life. She encourages and teaches us how to do it with advice and guidance such as: · An A-

The method is not designed to help you become a master illustrator, but rather a visual thinker and communicator. Emphasizing speed and simplicity, the Rapid Viz method breaks down drawing to the essentials, teaching the fundamental techniques of graphic art and design using only the simplest of tools: felt-tip pens or pencils and paper. Using a minimum amount of time, trouble, and effort, Rapid Viz enables you to nail down your ideas onto paper, rapidly converting your thoughts while they are still fresh, and then polish them for clear visual

Your hand lettering contains a little bit of you! It expresses what you have to say, and demonstrates your creativity in all your communications. In *Hand Lettering A to Z*, artist and author Abbey Sy has invited four international artists--Meg Hyland, Joao Neves, Tessa Go, and Lisa Lorek--to join her in designing all new alphabets for you to draw and use in many different languages. You don't have to be a trained artist to master the

Always wanted to learn how to draw? Now's your chance. Kean University Teacher of the Year Robin Landa has cleverly disguised an entire college-level course on drawing in this fun, hands-on, begging-to-be-drawn-in-sketchbook. Even if you're one of the four people on this planet who have never picked up a pencil before, you will learn how to transform your doodles into realistic drawings that actually resemble what you're picturing in your head. In this book, you will learn how to use all of the formal elements of
