I want to inspire the next generation to dream big dreams. I just want those young girls to know they can do the same and even better than I've done. "I'd love to headline big card after big card.

---

I want young girls to surpass me - Taylor

Every girl dreams of what she wants to be, but dreams are forgotten when you're a girl with no choices in life. Boys are more likely to go to school, while too many girls are being denied an education. Girls are being made to suffer FGM, forced to marry men up to three times their age, or have babies even though they're still children themselves.

During dreams, young boys can have vivid dreams about anything that has to do with their sexuality. They may imagine having sex or even kissing someone passionately and this could cause the wet dream. However, wet dreams do not always mean sexual dream. In fact, more often than not, it is a bodily reaction to the increased blood flow to the penis.

Teen bedroom ideas | Argos

Adolescent sexuality is a stage of human development in which adolescents experience and explore sexual feelings. Interest in sexuality intensifies during the onset of puberty, and sexuality is often a vital aspect of teenagers' lives. Sexual interest may be expressed in a number of ways, such as flirting, kissing, masturbation, or having sex with a partner.
