Filled with magic, thrilling adventure, and sweet romance, Elementals is the first in a new series that fans of mythology will love! When Nicole Cassidy moves from sunny Georgia to gloomy New England, the last thing she expects is to learn that her homeroom is a cover for a secret coven of witches. Even more surprisingly ... she's apparently a witch herself. Despite doubts about her newfound abilities, Nicole is welcomed into this ancient circle of witches and is bedazzled by their powers--and, to her dismay, by Blake--the school's notorious bad-boy. Girls who get close to Blake wind up hurt. His girlfriend Danielle will do anything to keep them away, even if she must resort to using dark magic. But the chemistry between Blake and Nicole is undeniable, and despite wanting to protect Nicole from Danielle's wrath, he finds it impossible to keep his distance. When the Olympian Comet shoots through the sky for the first time in three thousand years, Nicole, Blake, Danielle, and two others in their homeroom are gifted with mysterious powers over the elements. But the comet has another effect--it opens the portal to the prison world that has contained the Titans for centuries. After an ancient monster escapes and attacks Nicole and Blake, it's up to them and the others to follow the clues from a cryptic prophecy so that they can save their town ... and possibly the world. "Elementals is full of wonderful magic and myths!" -5 Girls Book Reviews "Five glittery stars for being such a compelling read!" -Andrea Heltsley, Goodreads Reviewer

Can they use their newfound powers to save their hometown, or will they die trying? The summer is over and the promised get-together results in an epic sharing of the transformational adventures that have gifted Akiko, Saxony, Georjayna, and Targa with their elemental powers. When the Elementals are recruited by Petra to execute a super-secret global project that is supposed to change humanity for the better, it seems as though the girls will be rocketed to fortune and glory. But when they accidentally unleash a dark and terrible force, things deteriorate rapidly into death and destruction... This deadly entity seems immune to their magic and it is too late to turn back. The Elementals is written from three points of view and is the sixth and final book in The Elemental Origins, a series of captivating YA urban fantasy novels that can be read in any order. If you like new twists on elemental lore, simmering romance, and strong female lead characters, then you'll love A.L. Knorr's teen fantasy adventure. Buy The Elementals and get ready for a speed-rap of a novel that will take you to the edge of your seat! Read a snippet: The groan became a growl. I whirled, raking the trees for whatever made the sound. The forest had lost its color, just as part of the sky had. I blinked and rubbed my eyes, thinking something was wrong with my vision. When I opened my eyes the view was the same. The forest and sky were shifting from the dim color of early morning to shades of gray. In fact, the edges of everything looked blurry, like a heavy fog had gathered. The growl came again, from everywhere and nowhere. My heart galloped in my chest. "Where are you?" I yelled into the trees. "Show yourself!" My answer was a deep roll of thunder...or was it a slow throaty laugh? The forest grew dark and the trees faded from view, swallowed up in the unnatural fog. Cold slime felt heavy on my skin and I scraped at my cheeks with my fingers, letting out a yell of frustration. How could I fight an enemy I couldn't see?

A lost colony is reborn in this heart-pounding fantasy adventure set in the near future. Enter the world of the Elementals, which James Dashner called

"completely gripping and full of intrigue, revelation, mystery, and suspense." Sixteen-year-old Thomas has always been an outsider. The first child born without the power of an element—earth, water, wind, or fire—he has little to offer his tiny, remote Outer Banks colony. Or so the Guardians would have him believe. In the wake of an unforeseen storm, desperate pirates kidnap the Guardians, intent on claiming the island as their own. Caught between the Plague-ridden mainland and the advancing pirates, Thomas and his friends fight for survival in the battered remains of a mysterious abandoned settlement. But the secrets they unearth will turn Thomas's world upside-down, and bring to light not only a treacherous past but also a future more dangerous than he can possibly imagine. Written by an award-winning author, this dynamic series is perfect for fans of dystopian thrillers like James Dashner's *The Maze Runner* and Marie Lu's *Legend*. "Plenty of action for readers who enjoy survival stories with a twist of the supernatural and a hint of romance." -School Library Journal "The novel's captivating storyline, rapid pace, and cliffhanger ending are sure to leave fans of novels like Grant's *Gone* series absorbed with the action and anxious for a sequel." -Bulletin of the Center for Children's Books "Engaging characters and plenty of mystery, adventure, and action." -Publishers Weekly

"Multiple secrets come to a boil" for a Merrick brother in a pressure cooker of a paranormal from the New York Times bestselling author of *Spirit* (Kirkus Reviews). Nowhere is safe. Not even home . . . Nick Merrick is stretched to the breaking point. Keep his grades sky-high or he'll never escape his hometown. Keep his brother's business going or the Merricks will be out on the street. Keep the secret of where he's going in the evenings from his own twin—or he'll lose his family. Keep his mind off the hot, self-assured dancer who's supposed to be his "girlfriend's" partner. Of course there's also the homicidal freak Quinn has taken to hanging around, and the Elemental Guide counting the hours until he can try again to kill the Merrick brothers. There's a storm coming. From all sides. And then some. Nick Merrick, can you keep it together? Praise for Brigid Kemmerer and *The Elemental Series* "Magic, suspense, and enough twists to keep you reading until sunrise. An incredible start to the series!" -Erica O'Rourke, award-winning author of *Torn* "Five hot guys, one tough heroine, plenty of romance and non-stop action . . . Elemental is the new series to watch." -Inara Scott, author of *The Marked* "A refreshingly human paranormal romance . . . read fast and keep that heart rate up." -Kirkus Reviews

Mercedes Lackey's magical *Elemental Masters* series recasts familiar fairy tales in a richly-imagined alternate Victorian world For seventeen years, Marina Roeswood had lived in an old, rambling farmhouse in rural Cornwall in the care of close friends of her wealthy, aristocratic parents. As the ward of bohemian artists in Victorian England, she had grown to be a free thinker in an environment of fertile creativity and cultural sophistication. But the real core of her education was far outside societal norms. For she and her foster parents were *Elemental Masters* of magic, and learning to control her growing powers was Marina's primary focus. But though Marina's life seemed idyllic, her existence was riddled with mysteries. Why, for example, had she never seen her parents, or been to Oakhurst, her family's ancestral manor? And why hadn't her real parents, also *Elemental Masters*, trained her themselves? That there was a secret about all this she had known from the time she had begun to question the world around her. Yet try as she might, she could get no clues out of her guardians. But Marina would have answers to her questions all too soon. For with the sudden death of her birth parents, Marina met her new guardian—her father's eldest sister Arachne. Aunt Arachne exuded a dark magical aura unlike anything Marina had encountered, a stifling evil that seemed to threaten Marina's very spirit. Slowly Marina realized that her aunt was the embodiment of the danger her parents had been hiding her from in the backwoods of Cornwall. But could Marina unravel the secrets of her life in time to save herself from the evil that had been seeking her for nearly eighteen years?

The red-hot Merrick brothers return in an electrifying paranormal adventure from the New York Times bestselling author of *Storm*. Gabriel Merrick plays with fire. Literally. Sometimes he can even control it. And sometimes he can't. Gabriel has always had his brothers to rely on, especially his twin, Nick. But when an arsonist starts wreaking havoc on their town, all the signs point to Gabriel. Only he's not doing it. And no one seems to believe him. Except a shy sophomore named Layne, a brainiac who dresses in turtlenecks and jeans and keeps him totally off balance. Layne understands family problems, and she understands secrets. She has a few of her own. Gabriel can't let her guess about his brothers, about his abilities, about the danger that's right at his heels. But there are some risks he can't help taking. The fuse is lit . . . Praise for Brigid Kemmerer and *The Elemental Series* "Five hot guys, one tough heroine, plenty of romance and non-stop action . . . Elemental is the new series to watch." -Inara Scott, author of *The Marked* "Overflowing with action, snappy dialog, and hot guys—*The Elemental Series* will take your breath away." -Kim Harrington, author of *Clarity* "A refreshingly human paranormal romance . . . read fast and keep that heart rate up." -Kirkus Reviews

A DEMIGOD WHO CAN KILL WITH A TOUCH. IT'S AN ABILITY THAT MUST BE KEPT SECRET FROM EVERYONE, EVEN FROM THOSE TRUSTED MOST. Finding out that her new school had her in a special homeroom for witches was strange enough, but now Nicole must face the realization that she has the rare power to kill with just a touch. It's a secret she needs to keep not only from the Head Elders, but from the super-sexy witch Blake, who she's had undeniable chemistry with even before he broke up with his long-term girlfriend, the vengeful witch Danielle. Now Nicole and the four others gifted with powers over the elements, including Blake and Danielle, must stop a series of monsters that they previously believed to be dead from rising once again and destroying the mortal world. Three magical items are needed, including the blood of the slain hydra - ingredients that they must journey to the dangerous, mystical

islands in Greece to retrieve. The monsters they face on this journey will be more threatening than anything they've encountered yet. But with the fate of the world on their shoulders, it's up to the Elementals to return home victorious. Will they find the ingredients they need? Can Nicole and her friends pull off this mission while the tension between her, Blake, and Danielle threatens to ruin everything? And how long will it be until Nicole is forced to use her ability to kill in front of everyone, revealing the true darkness of her powers? Find out in *The Blood of the Hydra*, and join the Elementals on their next journey in their quest to save the world - or die trying.

From New York Times bestselling author Amie Kaufman comes the first book in an electrifying series about a brother and sister who must harness their powers and find their place in a sharply divided world. Everyone in Vallen knows that ice wolves and scorch dragons are sworn enemies who live deeply separate lives. So when twelve-year-old orphan Anders takes one elemental form and his twin sister, Rayna, takes another, he wonders whether they are even related. Family or not, Rayna is Anders's only true friend. She's nothing like the brutal, cruel dragons who claimed her as one of their own and stole her away. To rescue her, Anders must enlist at the foreboding Ulfar Academy, a school for young wolves that values loyalty to the pack above all else. But for Anders, loyalty is more complicated than obedience, and friendship is the most powerful shapeshifting force of all.

The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep: it's Gin Blanco's party—and you'll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me—Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color.
