Peter Ratcliffe served in the SAS for twenty-five years. Blooded in Oman in the 1970s, he also saw action in Northern Ireland, in the Falklands War, and in the Gulf campaign. From his early days in the Paras to his time as Regimental Sergeant-Major in the Gulf, he has lived and fought by the motto 'Who Dares Wins'. Eye of the Storm is his insider's account of that exceptional career. Fastpaced, earthy, dramatic, funny, occasionally disturbing, it is laced with firsthand descriptions of ferocious and bloody fighting, sudden death and incredible heroism, and peopled with a cast of extraordinary individuals. Beyond that, however, it corrects many of the distortions and exaggerations of other books, and explodes several long-standing myths about the Regiment. □A fascinating insider□s account□ of the decades-long intelligence sharing relationship among the US, UK, Canada, Australia, and New Zealand (Perspectives on Terrorism). remarkable book, Anthony Wells charts fifty years of change, turmoil, intense challenges, successes and failures, and abiding Five Eyes relationships. He traces the development of institutions that he firmly believes have sustained, and indeed may have saved, Western democracies and their allies from those ill disposed to the value system and culture of our nations. More than a chronology of the UK/US intelligence community during this fifty-year period, it is also a personal insight into key relationships and the abiding strength of the United States and the United Kingdom and its Five Eyes allies relationships. The author is the only living person to have worked for British Intelligence as a British citizen and US Intelligence as a US citizen. As a fully trained and accredited security officer for two US intelligence organizations, Wells has relied on his own extensive unclassified collection of papers, personal notes and diaries, as well as his family library, for source material to create this book. ¶Few people are as uniquely well equipped as Anthony Wells to write an account of these close and special relationships. His penetrating and informed analysis offers us all hope for the continuance of an alliance which makes the world a safer place.¶ ¶Vice Admiral Sir Jeremy Blackham, Knight Commander of the Bath, editor, The Naval Review
