This chapter focuses on the interpretation and analysis of financial statements. To perform financial analysis, you will need to know how to use common-sized financial statements, financial ratios, and the Du Pont ratio method.

Chapter 2 Financial Statement and Ratio Analysis

An analysis of Microsoft's financial statements reveals some of the reasons for the declining stock price. That is the topic of this chapter—an introduction to financial statement analysis. With some basic analysis tools (called ratios), we will be able to
