The Devil is dead...or is he The World rejoiced when the word spread like wildfire that 'The Devil' had finally been vanquished. Little did they know that sometimes it better to deal with the Devil himself than his Advocate. The World quickly learned that the only currency the Advocate wallowed in was red - the color of vengeance. In the end it was true, the 'Devil' was dead. An innocent man wore the face of someone who wandered the darker underbelly of life and made the shadows cringe. Trevor was a good Catholic boy who shared groceries with his elderly neighbors; walked their pets; worked an honest job and tried to write the next great novel as he made his way in the world. The problem now was that dark world found out that Trevor was still alive. Would the Devil's Advocate be enough to protect the innocent or would Erik use this chance to revive the Devil of his dreams

Quinton Mann is CIA through and through. Mark Vincent is WBIS for life. There is no way they could

end up as anything other than adversaries -- and yet, Quinn takes Mark out to dinner on his birthday -- the one no one is supposed to know about -- and gives him one hell of a present in the restaurant's restroom. Mark, not to be outdone, has decided to escalate this game, because it has to be a game, right? There's no way it can be anything else. But as the game continues, as Quinn shows up to a WBIS funeral, as a friend of Mark's penetrates the CIA computer network to get information on Quinn, as Mark breaks into Quinn's house and gives Quinn a very interesting encounter, both Quinn and Mark realize that this is becoming the most real thing in their lives. Can they find a way to do their jobs and keep this surprising, intriguing connection?

Change comes to all of us. For Theo Bascopolis, the first time is when he's fifteen. He finds his life falling apart when his father discovers Theo is gay and orders him to become straight or leave. Having no choice, in spite of what his father might think, Theo leaves. But where can a fifteen-year-old go? Especially when it starts to rain. He thinks things are looking up when he meets a striking man named Franky, who seems very attracted to him. However, once again Theo's life changes when he learns all Franky wants is for him to hustle. And so Theo becomes the rent boy Sweetcheeks. However, Franky underestimates Sweetcheeks, and the results of the ensuing fight sees Sweetcheeks fleeing to Washington DC, where he crosses paths with a group of rent boys who take him in. Finally Sweetcheeks has a family, a home, and an additional source of income in the form of apartments they're able to rent out. His life changes again a few years later when a mysterious tenant by the name of Mark Vincent becomes the reason behind the assault on one of Sweetcheeks's boys. Vincent visits the boy in the hospital, bringing with him his equally enigmatic trainee, William Matheson. The instant attraction blindsides Sweetcheeks. In spite of knowing love isn't for rent boys, he hopes Matheson can see beyond the body he's offered to so many. But Matheson has secrets of his own. Can Sweetcheeks overcome his insecurities enough to believe in the quiet man who's come into his life? Can Matheson keep his actual occupation a secret without it jeopardizing their budding relationship?

Imprisoned for 'inflammatory writings' by the totalitarian Theocracy, shy intellectual Ashleigh Trine figures his story's over. But when he meets Kieran Trevarde, a hard-hearted gunslinger with a dark magic lurking in his blood, Ash finds that necessity makes strange heroes... and love can change the world.

It's Jaye Larson's nineteenth birthday, and all he wants is to spend time with his boyfriend, Kris, and his mother - the people he loves most, who make life worth living. But faced with his mother's demons, the imperfections of his relationship with Kris, and dangerous, homophobic strangers, one by one, all of Jaye's dreams are soon derailed. Plunging into a waking nightmare, shortly after going to bed alone, Jaye wakes in an alley, pinned down by two men with slow, bloody rape and murder in mind. It's just the start of Jaye's fight for his life, and his sanity, as time and time again, he's forced to make impossible choices to survive, no matter what it costs. (M/M)

Cameron Fletcher and Lucas Hensley are advertising executives who have Sixty Five Hours to pull together the campaign of their careers. Sixty Five Hours to get along. Sixty Five Hours to not kill each other. Sixty Five Hours to fall in love. ** First published in 2012. New Cover in 2019 - No additional content has been added.

Resigned to living a sexless, loveless life, Doctor Nathan Tierney knows something is missing. In a rash decision, he leaves his life-consuming job at Mass General Hospital, Boston, to be the small-town doctor in Belfast, Maine. With the job comes a house, and with the house comes a handyman-painter. Trent Jamieson, a nomadic artist, and his dog Bentley, are offered free accommodation for the few weeks he fixes up the hospital-owned house. Nathan is transfixed by this free-spirited, undeniably gorgeous man. Confused but amazed to feel any kind of attraction - much less to a man - Nathan convinces himself to

put aside any preconceived ideas, and allows himself to just feel. As their attraction for each other grows, one man learns to live, the other learns to love. But just who is teaching who? ** Second Edition. First Edition released in 2012. No additional content has been added. This book has not been professionally edited**

There are no bad guys or good guys. There are only better guys and worse guys. One of the worse guys is Val Toreth. In a world in which torture is a legitimate part of the investigative process, he works for the Investigation and Interrogation Division, where his colleagues can be more dangerous than the criminals he investigates. One of the better guys is Keir Warrick. His small corporation, SimTech, is developing a "sim" system that places users in a fully immersive virtual reality. A minnow in a murky and dangerous pond, he is only beginning to discover how many compromises may be required for success. Their home is the dark future dystopia of New London. A totalitarian bureaucracy controls the European Administration, sharing political power with the corporations. The government uses violence and the many divisions of the feared Department of Internal Security to maintain control and crush resistance. The corporations fight among themselves, using lethal force under the euphemism of "corporate sabotage," uniting only to resist attempts by the Administration to extend its influence over them. Toreth and Warrick are more natural enemies than allies. But mutual attraction and the fight for survival can create unlikely bonds.
