Inspired by the Emmy® Award – winning credits sequence that opens each episode of the hit HBO® series, Game of Thrones: A Pop-Up Guide to Westeros is guaranteed to thrill the show ' s legions of fans. Featuring stunning pop-up recreations of several key locations from the series, including the formidable castle of Winterfell, the lavish capital city King ' s Landing, and the Wall ' s stark majesty, this book—designed by renowned paper engineer Matthew Reinhart—takes you into the world of the series like never before. Game of Thrones: A Pop-Up Guide to Westeros features a total of five stunning spreads, which fold out to create a remarkable pop-up map of Westeros that is perfect for displaying. The book also contains numerous mini-pops that bring to life iconic elements of the show, such as direwolves, White Walkers, giants, and dragons. All the pops are accompanied by insightful text that relays the rich history of the Seven Kingdoms and beyond, forming a dynamic reference guide to the world of Game of Thrones. Visually spectacular and enthrallingly interactive, Game of Thrones: A Pop-Up Guide to Westeros sets a new standard for pop-up books and perfectly captures the epic scope and imagination of the series.

Music plays an integral role in the experience of film, television, video games, and other media—yet for many directors, producers, and media creators, working with music can be a baffling and intimidating process. The Film and Media Creators ' Guide to Music bridges the gap between musical professionals and the creators of film and other media projects, establishing a shared language while demystifying this collaborative journey. Organized with a modular chapter structure, the book covers fundamental topics including: Why (and when) to use music in a project How to talk about music Licensing existing music Commissioning original music Working with a composer Geared toward emerging and established creators alike, this book takes a practical approach to the process of finding the best music for all forms of moving image. The Film and Media Creators ' Guide to Music offers hands-on advice for media creators, providing readers with the confidence to approach the planning, commissioning, creation, and placement of music in their projects with the awareness, understanding, and vocabulary that will

enable them to be better collaborators and empowered storytellers. For students and professionals working across film and media, this book is the essential guide to using music creatively and effectively.

The Gospel of Shadows enabled the Catholic Church to control all manner of supernatural beings for centuries. When the book was destroyed – and the ruling body of the Church with it – it enabled the Shadows, the vampires of legend, to learn the hidden truth of their triple nature: part human, part demonic, part divine. But it also weakened the barriers that exist between the worlds, and now beings of pure evil are breaking through – creatures from other dimensions for which Hell is just a name. Peter Octavian, once a powerful Shadow, now restored to humanity, is the only man with sufficient knowledge to stop them. Aided by an earthwitch, a vampire and a priest, and calling on the magical forces of mother nature herself, Octavian stands between the Earth and apocalypse, as entire cities are plunged into the abyss...

Master your game from the inside out! With more than 800,000 copies sold since it was first published thirty years ago, this phenomenally successful guide has become a touchstone for hundreds of thousands of people. Not just for tennis players, or even just for athletes in general, this handbook works for anybody who wants to improve his or her performance in any activity, from playing music to getting ahead at work. W. Timothy Gallwey, a leading innovator in sports psychology, reveals how to

- focus your mind to overcome nervousness, self-doubt, and distractions
- find the state of “relaxed concentration” that allows you to play at your best
- build skills by smart practice, then put it all together in match play

Whether you're a beginner or a pro, Gallwey's engaging voice, clear examples, and illuminating anecdotes will give you the tools you need to succeed. “Introduced to The Inner Game of Tennis as a graduate student years ago, I recognized the obvious benefits of [W. Timothy] Gallwey's teachings. . . . Whether we are preparing for an inter-squad scrimmage or the National Championship Game, these principles lie at the foundation of our program.” —from the Foreword by Pete Carroll

Game of Thrones on Business is an entertaining and informative management book which draws parallels between HBO's global phenomenon and today's business world. Breathing life into management theory by relating it to incidents in the series, the authors show readers how to carve out careers and succeed in a dangerous and demanding world.

"Everything's better with some wine in the belly." - Tyrion Lannister, the self-proclaimed 'god of tits and wine'. Join Maester Jager as he takes you on a whirlwind bacchanalian tour of the seven kingdoms of Westeros. Details of how to make fifty cocktails are included, from the fermented mare's milk found in the grassy plains of the Dothraki Sea to the Kingslayer, a potent drink brewed at Casterly Rock. This must-have book also includes drinking games collated by the Maester himself on his travels, providing the perfect accompaniment to any Game of Thrones-themed viewing party you wish to host. CONTENTS: Gin of Thrones includes 50 Game of Thrones-inspired cocktails with ingredients and instructions alongside humorous serving suggestions and toasts. There are also entertaining drinking games that are designed to be played while watching or reading Game of Thrones and illustrations throughout.

“A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea.” —Booklist
Bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveships—rare vessels carved from wizardwood, which ripens magically into sentient awareness. Now the fortunes of one of Bingtown's oldest families rest on the newly awakened liveship Vivacia. For Althea Vestrit, the ship is her rightful legacy. For Althea's young nephew, wrenched from his religious studies and forced to serve aboard the ship, the Vivacia is a life sentence. But the fate of the ship—and the Vestrits—may ultimately lie in the hands of an outsider: the ruthless buccaneer captain Kennit, who plans to seize power over the Pirate Isles by capturing a liveship and bending it to his will. BONUS: This edition includes an excerpt from Robin Hobb's Mad Ship. Praise for Robin Hobb and the Liveship Traders Trilogy “Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons.” —George R. R. Martin “A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium.” —Publishers Weekly “Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well.” —Interzone

Filled with gorgeous illustrations and artwork from HBO's hit series, The Art of Game of Thrones is the definitive collection. Beautifully crafted and presented in a deluxe, large format, these pages present a visual chronicle of the meticulous work done by artists to bring the world of Westeros to life on-screen.
