Goodnight Lab: A Scientific Parody (Baby University ...

Our book today is Goodnight Lab: A Scientific Parody by Chris Ferrie, a STEM-inspired homage to the children's classic Goodnight Moon. Taking place in a modern research laboratory, the text follows in the footsteps of its model story, first introducing readers to the items around the lab (laser, spectrometer, a picture of Einstein "with a stern look", etc.), then saying goodnight

This interactive picture book teaches young readers about the parts of a cell, the basic building block of life, and builds a foundation for future science education. Through words and pictures, this book for children captures the imagination, stimulates curiosity, and facilitates a love for science in the next generation.

A parody of the children's classic and a hilarious gift for anyone that finds modern life funny and absurd. In a bright buzzing room, in the glow of the moon-and iPhones and Androids and Blackberries too-it is time to say goodnight... Modern life is abuzz. There are huge LCD WiFi HD TVs and Facebook requests and thumbs tapping texts and new viral clips of cats doing flips. Wouldn't it be nice to say goodnight to all that? Like the rest of us who cannot resist just a few more scrolls and clicks, you may find yourself ready for bed while still clinging to your electronics long after dark. This book, which is made of paper, is a reminder for the child in all of us to power down at the end of the day. This hilarious parody not only pokes loving fun at the bygone quiet of the original classic, but also at our modern plugged-in lives. It will make you laugh, and it will also help you put yourself and your machines to sleep. Don't worry, though. Your gadgets will be waiting for you, fully charged, in the morning.

Help young children learn social skills and get ready for a successful start to school with this charming alphabet book. C is for cooperate. G is for grow. P is for play! This friendly and reassuring alphabet book helps young children (and those who care for them) consider, explore, and discuss a wide range of skills related to school readiness. Kids preparing for kindergarten or preK will learn social skills from A to Z, building or reinforcing their knowledge of the alphabet at the same time. Charming art brings the skills to life with encouraging scenes of fun and learning in the classroom, on the playground, and more. A special section for adults presents ideas for helping children get ready for this big change and have a successful start to school.
