Renowned author, Lora S. Irish, shares her secrets on creating stunning pyrography. Inside you'll find techniques, patterns, projects, and gallery.

A best-seller! Renowned pyrographer Sue Walters teaches you everything you need to know to create stunning pyrography artwork with three step-by-step projects, original patterns, and an inspiring gallery of work. Includes information on equipment, safety, materials, pattern preparation, techniques and 3 projects; a beginner, an intermediate, and an advanced.

Turn an ordinary piece of wood into a fire-burned masterpiece! If you're a crafter or an artist looking for something new and different, try pyrography. With this type of art, you use a heated instrument to burn images and words into wood. By using techniques from drawing, such as shading and stippling, you can also add depth and embellishments to your creations. It's easy to get started with pyrography-and Creative Woodburning can help you jump into this hot new craft. This book features: - An introduction to pyrography and the tools you need to get started - Expert advice on how to choose the right materials and how to create a safe working environment - 20 projects, including a jewelry box, a cutting board, a wooden egg, a clock, and a gourd birdhouse - More than 180 patterns- from animal and nature designs to borders and geometric and decorative shapes - Techniques for shading, adding color, and sealing your projects The power of your pyrography imagination is just between your fingertips and Creative Woodburning can help you tap into your inspiration. Even if you've never done burning of any kind before, pyrography expert Bee Locke can show you a safe yet fun way to play with fire.

In The Wood Burn Book, Instagram star Rachel Strauss (@woodburncorner) teaches you everything you'll need to know to master your favorite new hobby: pyrography, or writing with fire. This essential guide opens with a brief background to the art of wood burning, a list of tools and how to use them, basic techniques that can be used over and over again, and even what to burn and how to be safe doing it. You will also find a detailed explanation of the process from start to finish, with patterns and frames, techniques for lettering and adding color, as well as dozens of projects ready for gifting, including picture frames, cutting boards, coasters, cards, wooden spoons, and jewelry. Above all, Strauss has created the book she wished she had when she first discovered pyrography: a simple guide that quickly gets the reader successfully burning. With the right tools and a little time, you'll be able to create meaningful handmade gifts without breaking the bank. Whether it's to create a family name sign as a housewarming gift for newlyweds, or customize baby blocks for a new little one, wood burning is the versatile hobby that can be used time and time again to create memorable gifts for all of life's occasions. In addition, wood burning is a practice in mindfulness, requiring patience and focus to awaken the senses and calm the mind. Mastering the art of writing with fire begins with the ability to follow a line. If you can trace, you can burn.

Little Book of Pyrography makes it easy to learn the creative craft of woodburning! All that aspiring beginners need is this book and an inexpensive wood burning tool to start adorning wood, gourds, leather, paper and more with beautiful images and patterns. Legendary pyrography artist Lora S. Irish expands on the techniques and projects from her bestselling book Pyrography Basics—all of which are included here—and explores new ways to achieve lovely varieties of tone and texture. In this handsome hardcover gift edition, Lora provides a thorough introduction to basic tools, materials and techniques. Readers will learn how to set up a practice board to experiment with strokes and settings before moving on to working projects with confidence. Seven skill-building projects provide step-by-step exercises in using temperature, time, layering, and texturing to create artistic tonal values.

Nationally recognized artist and pyrographer Lora S. Irish makes woodburning easy by walking you through all the basics of materials, tools, and techniques. Six skill-building projects provide step-by-step exercises in using temperature, time, layering, and texturing to create artistic tonal values.

This easy-to-learn introduction to the art of pyrography offers fourteen step-by-step projects for making decorative gifts—from coasters and picture frames to bangles, decorative plates, and door hangers--illustrated with clear how-to photographs. Each pyro project can be completed using ready-made materials that are easy to find at your local craft store. Fifty bonus patterns will allow you to unleash your creativity on hundreds of additional woodburning projects.

"Wood burning is a centuries-old craft that turns objects made of plain wood into beautiful artworks. At first glance, it looks difficult and dangerous. Wood burners and other wood burning tools may cause injury if you are not careful. However, you would be amazed at how easy and simple wood burning is. This book will show you how simple and easy this craft is. It teaches you all the basics you need to start and enjoy the craft of wood burning. It will provide you with tips on how to be good at using your wood burners and other tools. The book also provides easy wood burning projects that would help you practice how to make intricate designs. It also includes some easy beginner projects with step-by-step procedures, which you can easily follow. With this book and with a little practice, you would find yourself making unique gifts, wood works, and home decorations that you ca put up in your home or show to your friends with pride."--Introduction pages 1-2.
