The Hidden Persuaders by Vance Packard - Goodreads

In the introduction to his bestselling 1957 book *The Hidden Persuaders*, American journalist Vance Packard wrote about the ‘probers’, using their psychoanalytically driven ‘depth approach’ and ‘systematically feeling out our hidden weaknesses and frailties in the hope that they can more efficiently influence our behavior’. American psychologists at advertising agencies were, he warned, ‘probing sample humans in an attempt to find how to identify, and beam messages to, people of ...

they won't reason with you. Instead, you'll be nudged, anchored, incentivised and manipulated in barely noticeable ways. It's a profound shift in the way we interact with one another. Philosopher James Garvey explores the hidden story of persuasion and the men and women in the business of changing our minds. From the covert PR used to start the first Gulf War to the neuromarketing of products to appeal to our unconscious minds, he reveals the dark arts practised by professional persuaders. How did we end up with a world where beliefs are mass-produced by lobbyists and PR firms? Could Google or Facebook swing elections? Are new kinds of persuasion making us less likely to live happy, decent lives in an open, peaceful world? Is it too late, or can we learn to listen to reason again? *The Persuaders* is a call to think again about how we think now.

This book will literally change the way you think about your next meal. Food psychologist Brian Wansink revolutionizes our awareness of how much, what, and why we 're eating—often without realizing it. His findings will astound you. • Can the size of your plate really influence your appetite? • Why do you eat more when you dine with friends? • What “ hidden persuaders ” are used by restaurants and supermarkets to get us to overeat? • How does music or the color of the room influence how much—and how fast—we eat? • How can we “ mindlessly ” lose—instead of gain—up to twenty pounds in the coming year? Starting today, you can make more mindful, enjoyable, and healthy choices at the dinner table, in the supermarket, at the office—wherever you satisfy your appetite.
