How to Resign From Your Job and Leave On Good Terms

You shouldn't wait days and days before you talk, since that will either cut into the amount of notice you're able to give or delay your start date at your new job. Instead, leave your boss a voicemail or send an email explaining that you have something important and time-sensitive to discuss and ask to talk with her for a few minutes today. (Yes, this may sound ominous. Yes, she may ...
