Jim Sullivan – Audio Books, Best Sellers, Author Bio ...
Fundamentals: 9 Ways to Be Brilliant at the New Basics of Business is packed-full of great concepts, strategies, tactics, leadership quotes and a detailed road map for how to implement the ideas. The author has a unique and fun writing-style that is absent in most business books.

Fundamentals: 9 Ways to Be Brilliant at the Basics of Business explores the core essentials of operating successful organizations in the Digital Age. Chockablock-full of detail, specifics and bite-sized content perfect for 21st Century business professionals.

Multi-Unit Leadership is the best-selling book used in over 170,000 businesses worldwide. Managing multiple units requires significantly different skills than managing just one. This book details those skills in seven distinct stages and shares the best practices from successful multiunit leaders worldwide. Perfect for regional managers and franchisees who need to know the difference between hands-on management and indirect influence. Written in a detailed and fun format perfect for today's Digital Age leaders, Multiunit Leadership examines the unique role and requirements of managers who are responsible for two to forty units. Our research with over 500 successful Multi-Unit Leaders (MULs) reveals the best practices and unique expertise that differentiates high-performing multiunit leaders from average ones. Chockablock-full of specific examples, expert opinion and case-study scenarios, the seven leadership stages outlined in the book include: Brand Ambassador, Servant Leadership, Marketing Guru, Head Coach, Talent Scout, Synergist and Goal-Getter. You'll learn how to better manage time and projects, how to develop stronger teams, how to get maximum impact from your store visits, and how to consistently build sales by working smarter, not harder. Readers can assess their own strengths and challenges compared to the industry's best MULs at the end of each chapter and compile their own best practices relative to people, performance, and productivity. Companies using the book include McDonald's, American Express, Coca-Cola, Starbucks, Target, Jiffy Lube, Supercuts, Applebee's, and Sam's Club.

Outlines the author's method for creating no-knead, slow-rising artisanal breads in heavy preheated pots, sharing a variety of step-by-step recipes for such classics as a rustic Italian baguettes, the stirato and pizza Bianca.

In Mind Your Own Business . . . hospitality industry expert Jim Sullivan brings his wide range of experience and talents to bear on the three P's of restaurant options.

Make homemade pizza that exceeds your wildest expectations—yet couldn't be simpler—with Jim Lahey's groundbreaking no-knead dough and inventiv Jim Lahey, the bYork City's celebrated Sullivan Strestaurant, has developed a brilliant recipe that requires no kneading and produces an irresistible crust in any home oven—gas or electric—in fewer than five minutes. The secret to incredible pizza is a superb crust—one that is crisp yet chewy, and slightly charred around the edges. My Pizza shares this revolutionary technique and the creative pies that put Co. on the map, as well as recipes for salads, soups, and desserts to make a meal complete. The pizzas in this book aren't your usual, run-of-the-mill pies. In fact, Jim's unique topping pairings—such as Corn and Tomato, Coppa and Fennel, and Potato and Leek—reinvigorate this American favorite. His whimsy is apparent in his Pepperoni Pie, which doesn't include the cured meat we have all come to expect; instead, riffing on "pepperoni"

New from the bestselling author of My Bread: A clear, illustrated guide to making sourdough and the Italian-inspired café dishes from one of Manhattan's best bakeries. Founded in 1994, Sullivan Street Bakery is renowned for its outstanding bread, which graces the tables of New York's most celebrated restaurants. The bread at Sullivan Street Bakery, crackling brown on the outside and light and aromatic on the inside, is inspired by the dark, crusty loaves that James Beard Award-winning baker Jim Lahey discovered in Rome. Jim builds on the revolutionary no-knead recipe he developed for his first book, My Bread, to outline his no-fuss system for making sourdough at home. Applying his Italian-inspired method to his repertoire of pizzas, pastries, egg dishes, and café classics, The Sullivan Street Bakery Cookbook delivers the flavors of a bakery Ruth Reichl once called "a church of bread."

A crucial and compelling account of New York Times Co. v. Sullivan, the landmark Supreme Court case that redefined libel, from the Pulitzer Prize-winning legal journalist Anthony Lewis. The First Amendment puts it this way: "Congress shall make no law...abridging the freedom of speech, or of the press." Yet, in 1960, a city official in Montgomery, Alabama, sued The New York Times for libel—and was awarded \$500,000 by a local jury—because the paper had published an ad critical of Montgomery's brutal response to civil rights protests. The centuries of legal precedent behind the Sullivan case and the U.S. Supreme Court's historic reversal of the original verdict are expertly chronicled in this gripping and wonderfully readable book by the Pulitzer Prize Pulitzer Prize-winning legal journalist Anthony Lewis. It is our best account yet of a case that redefined what newspapers—and ordinary citizens—can print or say.

"Sets a standard for political storytelling with impeccable research and lively writing." —Kirkus Reviews (starred review) "Page-turning...riveting...colorful and detailed...a barometer of the health of our democracy." —Barbara McQuade, The Washington Post Two investigations. Two impeachments. Two acquittals. One president. The full story. Unprecedented. Unimaginable. Until Donald Trump's presidency. A year apart, two ferocious political dramas challenged American democracy. As Pulitzer Prize-winning Washington Post reporters Kevin Sullivan and Mary Jordan show in this gripping account, the two Trump impeachments and acquittals shared common threads: An American president, relentless in his drive to win re-election, willing to disregard the laws that limit his powers, no matter the cost. A divided Congress, split along party lines, unable to agree on whether Trump's actions met the Constitutional standard for removal from office. The Constitution itself, tested in ways that its framers had not anticipated. Trump's Trials is an expanded version of Trump on Trial, Sullivan and Jordan's compelling and masterful 2020 account of the first impeachment. That narrative, a crisp page-turner with exquisite detail and vivid scenes, deftly conveyed the calculations of the central ?gures, in particular Speaker of the House Nancy Pelosi and Republican Senate leader Mitch McConnell. The authors have added three new chapters, and revised others, to carry the narrative through the 2020 presidential election of Joe Biden; Trump's feverish attempts to overturn Biden's victory; his supporters' deadly attack on the Capitol as Congress was certifying the electoral votes; Trump's second impeachment and acquittal—but this time, with seven Republican senators voting against him. Sullivan and Jordan, aided by editor Steve Luxenberg, have written a fast-paced, authoritative account of the historic events that rocked America—an invaluable examination of what happened and why.

Fundraising Fundamentals is a practical and valuable resource forfundraising professionals, trustees, philanthropists, and nonprofitexecutives who aspire to raise substantial monies for worthycauses. I have utilized Jim Greenfield's literature in variousfundraising courses . . . my students have benefited from thetheory and substance that Jim so clearly conveys along withreal-life models that can be applied to their respectiveorganizations. -Stephen M.
