The name Judas (Ἰούδας) is a Greek rendering of the Hebrew name Judah (יהודה, Y e hûdâh, Hebrew for "God is thanked"), which was an extremely common name for Jewish men during the first century AD, due to the renowned hero Judas Maccabeus. Consequently, numerous other figures with this name are mentioned throughout the New Testament. In the Gospel of Mark 3:13–19, the earliest ...

Lady Gaga - Judas Lyrics | Genius Lyrics

First Signs of Trouble. Judas was one of the 12 disciples, Jesus' closest companions. Although a specific scene of Jesus calling Judas is not included in the Gospels, as it is for others such as Philip, Nathaniel, and Peter, he is included in the list of the 12 from early on (e.g. Mark 3:19). Though Judas isn't mentioned nearly as much during Jesus' ministry as others like Peter, James ...

Judas definition: 1. a person who is not loyal to a friend and helps the friend's enemies 2. a person who is not.... Learn more.

This book is not an apologetic for the sins of Judas. But the author of JUDAS ISCARIOT: REVISITED AND RESTORED is convinced that there is more to the Judas story than has been told. Rogers is further convinced that until we finally understand the unlikely relationship between the sinner Judas and the Savior Jesus, we will never fully appreciate Gods response to our own faults and failures. Many are convinced that Gods grace i.e. unmerited favor must somehow first be merited (an oxymoron). With Judas, Rogers demonstrates that Gods forgiveness is unearned and unlimited This book is riveting from the first page. [Rogers] challenges us to look...directly into the face of Judas [until] slowly an awful realization will dawn on our collective conscience: My God, Judas is us! (An excerpt from the books Foreword). Max Davis, author of Desperate Dependence, Thriving on the Jagged Edge, and Success Secrets of the Worlds Most Cynical Man. Judas Iscariot: Revisited and Restored is scholarly enough for [those] desiring proofs and reliable sources as evidence of the theories expounded; yet its clear, concise and logically organized for easy reading. A. P. McCracken, pastor, author and paralegal, in a review of this book. [Rogers] accomplishes his objective to declare the audacity of Gods grace and redemption that would include even Judas. And me! D. Dean Benton, author of more than 30 books including, Inner Net for Vision Catchers (2008) Ivan Rogers has served in Christian ministry for many years. He has been a pastor, Bible college president and a superintendent of an eight-state area of churches. Ivan presently serves as staff chaplain of a nursing/retirement community. Ivan is also respected and very involved in the field of Jewish-Christian relations. He and his wife, Elsie, reside in the state of Iowa.

In this fascinating historical and cultural biography, writer and broadcaster Peter Stanford deconstructs that most vilified of Bible characters: Judas Iscariot, who famously betrayed Jesus with a kiss. Beginning with the gospel accounts, Peter explores two thousand years of cultural and theological history to investigate how the very name Judas came to be synonymous with betrayal and, ultimately, human evil. But as Peter points out, there has long been a counter-current of thought that suggests that Judas might in fact have been victim of a terrible injustice: central to Jesus' mission was his death and resurrection, and for there to have been a death, there had to be a betrayal. This thankless role fell to Judas; should we in fact be grateful to him for his role in the divine drama of salvation? 'You'll have to decide,' as Bob Dylan sang in the sixties, 'Whether Judas Iscariot had God on his side'. An essential but doomed character in the Passion narrative, and thus the entire story of Christianity, Judas and the betrayal he symbolises continue to play out in much larger cultural histories, speaking as he does to our deepest fears about friendship, betrayal and the problem of evil. Judas: the ultimate traitor, or the ultimate scapegoat? This is a compelling portrait of Christianity's most troubling and mysterious character.

This fascinating books sifts the evidence and startlingly concludes that in the earliest sources Judas was not a traitor. While the name Judas Iscariot evokes horror among many people, Klassen argues persuasively that Judas may have meant no harm in handing over Jesus to the religious authorities. The book traces the ways in which Judas is portrayed by the four writers of the gospels, showing how the picture was increasingly demonized as the later gospels were written. This is the most important study in English of Judas within the context of first-century Judaism. Klassen shows by rich reference to literature of both the ancient period and later times how the concept of Judas as traitor emerged.

Provides the complete text of the long-lost Gospel of Judas, found nearly thirty years ago in Egypt, along with interpretive commentary and annotations, in a study of the disciple, his writings, and their significance. Reprint. 75,000 first printing.

From a #1 New York Times–bestselling author: The story of Judas Iscariot—and the stunning betrayal that changed the course of history. One of the great dramas of the biblical era is brought to thrilling new life in this epic novel told from the

unique perspective of Judas Iscariot himself. This is the story of Judas the myth, condemned by Dante to the most terrifying circle of Hell; Judas the man, the son of wealth and power who fought to suppress the lusts of the flesh and the sin of pride to become one of the twelve original disciples of Jesus Christ; and Judas the apostle, victim of a diabolical lie, history's arch traitor, who sold his Lord for thirty pieces of silver, and sealed his fate with a kiss. From Judas's years as the young rebel of an affluent family undone by his own idealism to his victimization by Pontius Pilate to the crucifixion and Christ's resurrection, I, Judas "read[s] like a modern novel of intrigue and thrills" (Chattanooga Times). The final entry, following Dear and Glorious Physician and Great Lion of God, in a trilogy celebrating key historical figures of the Bible, it is one of the most powerful and revelatory works of religious fiction ever published.

A study of the roots of anti-Semitism examines how the myth describing Judas as a malevolent betrayer has been exaggerated and used throughout history to justify genocidal persecution.

An account of the story of the New Testament's arch-villain and his history over the past 2000 years in which Gubar links Christian anti-Semitism with Christianity's attempt to grapple with transcendent evil.

Evaluates the meaning of the controversial, newly-discovered Gospel of Judas, illustrating how the text offers an understanding of Judas's betrayal, the apostles' understanding of Jesus's death, and God's role in the crucifixion.

As witnesses are subpoenaed to testify, prosecution and defense attorneys attempt to sway jurors (the congregation) with evidence based upon the Bible and tradition in this captivating five-part series.

Judas Iscariot journeys through life and death, grappling with his place in "The Greatest Story Ever Told." EVERY STORY NEEDS A VILLAIN Judas Iscariot is one of the most tragic figures of the Bible -- an acolyte, a betrayer, a villain. But if it wasn't for Judas... the story of Jesus wouldn't work. Before he was born, he was a slave to the story. In a religion built on redemption and forgiveness, one man had to sacrifice himself for everyone... and it wasn't Jesus. Written by Emmy and WGA Award-nominated Jeff Loveness (Nova) and illustrated by Jakub Rebelka (Namesake), Judas is a visually striking odyssey of spirituality and fantasy that follows Judas Iscariot through the depths of Hell as he grapples with his place in the "Greatest Story Ever Told," facing trials and tribulations taken from between the lines of the Bible.
