Taking your pension. Your LGPS pension is payable in full from your Normal Pension Age which is linked to your State Pension Age (but with a minimum of age 65). However, you can choose to retire and take your pension from the LGPS at any time from age 55 to 75, provided you have met the 2 years vesting period in the scheme. If you choose to take your pension before your Normal Pension Age it will normally be reduced, as it's being paid earlier.

Local Government Pension Scheme | Pensions | UNISON National

The LGPS is a defined benefit scheme; this means the pension benefits you get when leaving the scheme are worked out using a set formula. From 1 April 2014, every member pays into a career average revalued earnings scheme or CARE scheme. For each year you are in the scheme, your pension builds up based on a proportion of your pensionable pay received in that year.
