Pathophysiology: The Biologic Basis for Disease in Adults ...  
Huether and McCance. At least once a year, the media report on a  
seemingly healthy teenage athlete collapsing during a sports game and  
dying of heart complications. These incidents continue to outline the  
importance of physical exams and health screenings for teenagers,  
especially those who play sports. During these health screenings,  
examiners check for cardiovascular alterations such as heart murmurs  
because they can be a sign of an underlying heart disorder.
