It's just too bad that he thinks he's not good enough at playing the game to ask a few simple questions and save himself a world of grief. Instead, Ethan decides that he's going to destroy a dungeon full of skeletons all on his own. Of course, that means that he's going to die a lot. But he will discover quite a bit more about the game in the process. Join him as he fights skeletons, mines for resources, gets blown to pieces by gangs of angry creepers, accidentally angers a witch, tames a few pets and finally finds some diamonds.
