The special feature of the book is that it tries to cover the syllabi at all India level and is written in a simple and lucid style to be understood by a common man. There are many illustrations, examples and explanation which make the book interesting reading. The book

comprises of two parts, namely, Part I - GST and Part II - Customs Law. The latest developments/recent trends in GST and Customs Law have been incorporated at the appropriate places in the book. While a separate section is earmarked for problems and their keys, another part is assigned for Quiz in GST and Customs Law covering 140 questions which would be highly useful to the students appearing for examinations and interviews. Another significant feature of the book is that it has incorporated and highlighted the changes in the Finance Act, 2020, pertaining to GST and Customs Act, 1962. At the end of every chapter adequate questions for Part A and Part B are given. The GST collections, administrative structure and Officers of GST and Customs are included at the appropriate chapters. Further, the past years question papers of some of the Universities are also included in the book. The First edition has discussed clearly in a simple style the provisions and practical aspects of Central GST, State GST and Integrated GST Act. Students pursuing B.Com, BBA, BL, M.Com, MBA, Allied business courses and students wish to appear examination to become GST Practitioner will find the book as a classroom textbook as in the past.

With the advent of the information and communication technologies, traditional library activities are undergoing transformation in a big way. Modern library's collection includes a vast array of information resources, databases, electronic journals, e-books, digital images, institutional repositories etc. To manage a modern library, library professionals need to have awareness and knowledge on management of electronic resources, federated and discovered tools for single click search, literature techniques, application of RFID and other technologies, user needs and knowledge on soft skills etc. Keeping these perspectives and issues in mind the National Conference on Management of Modern Libraries (NACML) was organized by SEARCH- The health science library in association with the department of Library and Information Science, Manipal University, Manipal. The main objective of the conference was to provide an opportunity to LIS professional to explore the ways and means to manage the modern libraries where electronic resources are playing an important role in meeting the information needs of the users and to explore, discuss and share ideas and knowledge related to innovative modern library management systems to meet the needs of the changing environment. In five technical sessions under five different categories titled Technologies for Management, Best Practice in Modern Libraries, digital libraries and Role of Library Professionals in Management of Modern Libraries held over the two days, total 51 papers were presented at the conference. Various challenges and issues related to management of modern libraries were discussed in the technical sessions and some of the authors shared the best practices of their libraries. The author highlighted the importance of digital libraries and stressed the needs of various skills to work in digital environment. The papers presented in the conference have been edited and brought out in the form of a conference proceedings.
