### *Free Electrical (IBEW) Aptitude Test Practice - iPrep*

The aptitude test is nowhere near as challenging as the vectors, binary numbers, and Boolean algebra chapters. The NJATC online tech math course is very broad on the math it covers compared to the actual aptitude test. The test material varies from local to local but I would definitely recommend fully understanding the correct order of operations.

### *I'm currently taking the NJATC Mathematics Online Course ...*

Algebra and Functions: To study for the math portion of the test, it is recommended that you review Algebra 1 only. There are a variety of study materials on the Internet for additional practice. If you obtain a score below 5 on the test, you must wait six months to retest. Tests taken before six months will not be considered valid.

### *Electrical Aptitude Test - PacifiCorp*

The National Joint Apprenticeship and Training Committee (NJATC/JATC) Aptitude Test is a 69-question test divided into two sections: 33 Algebra questions (functions, polynomials, equations, and number series) 36 Reading comprehension questions The time to finish the test is 96 minutes total.

### *NJATC Apprenticeship Aptitude Test Practice - JobTestPrep*

The NJATC is jointly sponsored by the National Electrical Contractors Association (NECA) and the International Brotherhood of Electrical Workers (IBEW). Technical Math. The technical math course is a math review. It is not a study of electrical theory nor any specific topic covered in apprenticeship, and is in addition to the minimum classroom ...
