Can you imagine a future where women and men are better together? We are at a strategic cultural intersection where relationships between women and men are eroding. While it is good for women to expose their pain, abuse, and experiences of gender inequality and oppression, what often follows is a never-ending cycle of blame, accusations, denial, avoidance, and ultimately devastation for everyone involved. Better Together, a six-session video-based Bible study (DVD/digital downloads sold separately), is a beacon of hope in this challenging storm. Danielle Strickland helps us understand how oppression works—whether it relates to gender, race, socioeconomic status, or religion—and how to overcome it. Let Danielle inspire you to believe that change is possible and equip you with ideas and strategies that will compel you to action. The Better Together Study Guide includes six guided Group Gatherings intended to amplify the video teachings as well as between-session personal time to engage the Bible and study content. Over the last 500 years, blood-red moons have fallen on the first day of Passover three separate times. These occurrences were connected to some of the most significant days in Jewish history: 1492 (the final year of the Spanish Inquisition when Jews were expelled from Spain), 1948 (statehood for Israel and the War of Independence) and 1967 (the Six-Day War). The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015. In this devotional study guide, Pastor Hagee challenges readers to further explore the meaning behind blood moons, understand why Christians must recognize these signs that God refers to in Scripture, and absorb their prophetic significance. Ideal for individuals and groups, this devotional study guide combines questions and reflective journaling for deeper meaning and life application.
