Chapter 1

If you do not yet scuba dive but are thinking of learning, then Scuba Fundamental - Start Diving the Right Way is for you. It takes you from the germ of the idea that you might like to try scuba diving up to the point where you have done around 20 dives.

File Type PDF

This is not your standard how-to scuba diving manual. It is very different. The purpose of Scuba Fundamental is not to teach you how to dive. A dive instructor will do that. But this book will make the learning process much easier. It will help you make the right choices and avoid the pitfalls that await new and
