" A dynamic story line that grips from the first chapter and doesn't let go. " --Midwest Book Review, Diane Donovan (regarding Once Gone)
From #1 bestselling mystery author Blake Pierce comes a new masterpiece of psychological suspense. Homicide Detective Avery Black has been through hell. Once a top criminal defense attorney, she fell from grace when she managed to get a brilliant Harvard professor off—only to watch him kill again. She lost her husband and her daughter, and her life fell apart around her. Trying to redeem herself, Avery has turned to the other side of the law. Working her way up the ranks, she has reached Homicide Detective, to the scorn of her fellow officers, who still remember what she did, and who will always hate her. Yet even they cannot deny Avery ' s brilliant mind, and when a disturbing serial killer strikes fear into the heart of Boston, killing girls from elite colleges, it is Avery that they turn to. It is Avery ' s chance to prove herself, to finally find the redemption she craves. And yet, as she is soon to find out, Avery has come up against a killer as brilliant and daring as she. In this game of psychological cat and mouse, women are dying with mysterious clues, and the stakes could not be higher. A frantic race against time leads Avery through a series of shocking and unexpected twists—culminating in climax that even Avery could not imagine. A dark psychological thriller with heart-pounding suspense, CAUSE TO KILL marks the debut of a riveting new series—and a beloved new character—that will leave you turning pages late into the night. Book #2 in the Avery Black series is also now available! " A masterpiece of thriller and mystery. Pierce did a magnificent job developing characters with a psychological side, so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page. " --Books and Movie Reviews, Roberto Mattos (re Once Gone)

The Little Prince and nbsp;(French: and nbsp;Le Petit Prince) is a and nbsp;novella and nbsp;by French aristocrat, writer, and aviator and nbsp;Antoine de Saint-Exupéry. It was first published in English and French in the US by and nbsp;Reynal and amp; Hitchcock and nbsp;in April 1943, and posthumously in France following the and nbsp;liberation of France and nbsp;as Saint-Exupéry's works had been banned by the and nbsp;Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and nbsp;The Little Prince and nbsp;makes observations about life, adults and human nature. The Little Prince and nbsp;became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and nbsp;best-selling and nbsp;and and nbsp;most translated books and nbsp;ever published. and nbsp;It has been translated into 301 languages and dialects. and nbsp;The Little Prince and nbsp;has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

Think and Grow Rich - Napoleon Hill - The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort"

to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized and explained for the general public in this book. In *Think and Grow Rich*, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. This book will teach you the secrets that could bring you a fortune. It will show you not only what to do but how to do it. Once you learn and apply the simple, basic techniques revealed here, you will have mastered the secret of true and lasting success. Money and material things are essential for freedom of body and mind, but there are some who will feel that the greatest of all riches can be evaluated only in terms of lasting friendships, loving family relationships, understanding between business associates, and introspective harmony which brings one true peace of mind! All who read, understand, and apply this philosophy will be better prepared to attract and enjoy these spiritual values.

The Romance of Tristan and Iseult - Joseph Bédier - The legend of Tristan and Iseult is an influential romance and tragedy. The tragic story is of the adulterous love between the Cornish knight Tristan and the Irish princess Iseult. The narrative predates and most likely influenced the Arthurian romance of Lancelot and Guinevere, and has had a substantial impact on Western art and the idea of romantic love and literature.

Sofia Petrovna is Lydia Chukovskaya's fictional account of the Great Purge. Sofia is a Soviet Everywoman, a doctor's widow who works as a typist in a Leningrad publishing house. When her beloved son is caught up in the maelstrom of the purge, she joins the long lines of women outside the prosecutor's office, hoping against hope for good news. Confronted with a world that makes no moral sense, Sofia goes mad, a madness which manifests itself in delusions little different from the lies those around her tell every day to protect themselves. Sofia Petrovna offers a rare and vital record of Stalin's Great Purges.

I don't belong with her. Born into darkness, life made me a cynic incapable of love. But then Ellie waltzed in. Innocent, optimistic, kind. She's the opposite of what I deserve. I bought her, but she she stole my heart. Now my business is going up in flames. I have only one chance to make it right. That's where it happens...something I can never take back. I don't cheat on her. There's no one else. It's worse than that. Much worse. Can we survive this? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - *Dancer in the Dark* "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - *Lover of Alpha* "Addictive and damaged, their love burns slowly but deeply." - *Heroes and Alphas* "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - *Making Words Up* "Her words made me fall in love. It slayed me!" - *Sizzling Books* "Left my head spinning! I never wanted it to end!" - *Heartbreakers and Heroes*

A December 2019 Indie Next Pick! Set against the Frankfurt Auschwitz Trials of 1963, Annette Hess's international bestseller is a harrowing yet ultimately uplifting coming-of-age story about a young female translator—caught between societal and familial expectations and her unique ability to speak truth to power—as she fights to expose the dark truths of her nation's past. If everything your family told you was a lie, how far would you go to uncover the truth? For twenty-four-year-old Eva Bruhns, World War II is a foggy childhood memory. At the war's end, Frankfurt was a smoldering ruin, severely damaged by the Allied bombings. But that was two decades ago. Now it is 1963, and the city's streets, once cratered are smooth and paved. Shiny new stores replace scorched rubble. Eager for her wealthy suitor, Jürgen Schoormann, to propose, Eva dreams of starting a new life away from her parents and sister. But Eva's plans are turned upside down when a fiery investigator, David Miller, hires her as a translator for a war crimes trial. As she becomes more deeply involved in the Frankfurt Trials, Eva begins to question her family's silence on the war and her future. Why do her parents refuse to talk about what happened? What are they hiding? Does she really love Jürgen and will she be happy as a housewife? Though it means going against the wishes of her family and her lover, Eva, propelled by her own conscience, joins a team of fiery prosecutors determined to bring the Nazis to justice—a decision that will help change the present and the past of her nation.

Discover why people like Russel Simmons Jr, Jennifer Aniston, Phil Jackson and Brad Pitt all incorporate the life-changing practice of Buddhism into their lives. Mindfulness meditation is everywhere these days, from the therapy couch to the Google campus, from prisons to athletic events. But what are the origins of this surge in mindfulness? What kind of worldview and lifestyle went along with these ancient techniques of meditative training? And, beyond the questionable metaphysics and well-worn pop-psychology bromides, what is meditation actually for? This book explores the Buddhist ideas behind the mindfulness techniques that have seen such a groundswell of popularity. It covers meditation not just as a body of techniques for relaxation and stress relief to accessorize our busy modern lives, but as part of a radical system of self-transformation that offers the possibility of profound liberation. In this book, the Buddhist system and the ideas behind it are presented, not as a religion that's asking for your allegiance, but as a body of theory and practice geared towards fostering an inner revolution. Buddhism for beginners will teach you: The worldview underpinning Buddhist meditation techniques, and what those techniques were actually intended for. The principles that guide a life lived genuinely, gracefully, and compassionately. What meditation is all about in the context of the Buddhist path, and how to get into the practice of working with your mind. A surprising vision of the self, the mind, and the nature of human experience that can fundamentally alter the way you look at the world. Don't hesitate. To start on a journey that could deeply transform how you relate to your world, scroll up and grab your copy right now. Check out some of the testimonials below: "If I had the choice of being lectured about Buddhism or reading a book, I'd pick this specific book because it is so nicely written. It starts out pretty slow paced introducing a bunch of concepts related to Buddhism before moving towards meditation and the like. It sucked me in right away and I continued flipping page after page nonstop. Reading in a quiet room sure helped and I felt this great sense of calmness. It's pretty amazing!" "If you are beginning to practice Buddhism or are contemplating doing so, this book is a great place to start. It is the perfect book to give to friends or family members who are not familiar with Buddhism but want to understand your newfound spirituality. This book was extremely easy for me to understand and I fully as though the concepts presented were something that I could begin to apply now and by my own unaided strength. I would recommend this book to anyone else who is curious about Buddhism regardless of whether or not you intend on making Buddhism part of your life." - SCROLL UP AND CLICK THE ORANGE BUTTON NOW!

Usted se habrá preguntado más que una vez si hay una manera de buscar los libros electrónicos gratuitos en Amazon que no son incluidos en el Top 100 general o por categoría. Cada día son miles los títulos disponibles a 0,00 pero las listas de clasificación sólo muestran los best sellers. ¿Qué pasa si usted quiere descargar un libro electrónico en la posición número 101? ¿O en la 1500ésima? Esta guía va a resolverle el problema y le ahorrará tiempo valioso y evitara la frustración que causaría una búsqueda manual.

Ten mystery bears bare their physical differences in this book. They want to test if young readers can spot their special traits and call them by their correct names. Some of the bears have been called by the wrong name before, and that bothers them.
