A Different... Art Or Craft Business Into A

Passive income is defined as income that requires minimal effort—or perhaps even zero effort—to earn. Passive income typically enables your money to work for you. It's a “work smarter, not harder” situation. We can compare it against active income, where your effort is 100% correlated to your income.

## 35 Easy Ways to Generate Passive Income in 2020

Passive income, also known as “residual income”, is income that you earn while not actively working. In other words, you're not

Creatives: How to Earn Passive Income | by  
Nic Kocher ...

Passive income is only passive if it does not require additional time to maintain. For example, if you want to teach an online course on skill share, for example, I place my class on skill share and I do not end any additional content. I will continually make money for every minute someone watches my class.
