Discussion: Peer-Reviewed Journal Articles | Nursing Papers

Before an article is deemed appropriate to be published in a peer-reviewed journal, it must undergo the following process: The author of the article must submit it to the journal editor who forwards the article to experts in the field. Because the reviewers specialize in the same scholarly area as the author, they are considered the author's peers (hence "peer review"). These impartial reviewers are charged with carefully evaluating the quality of the submitted manuscript.
