Richard G. Lipsey. 3.54 · Rating details · 24 ratings · 0 reviews.
This edition has been rewritten to take account of the latest international developments and the core material revised to ensure students have the best possible account of both theory and practice of the subject. The book provides the student with a thorough grounding in all the theoretical components of a first course in economics, supported with world-wide case studies.

Principles of Economics by Richard G. Lipsey
Book came in used condition (bought second hand), but content wise it's a perfect introduction to concepts in economics. I bought this for use in the University of London's Bachelor of Economics online degree but it compares favorably to Canadian economics textbooks (in U of T, Ragan Lipsey is used for ECO100).

First Principles of Economics - Richard G. Lipsey, Colin ...
Richard George Lipsey, OC FRSC (born August 28, 1928) is a Canadian academic and economist. He is best known for his work on the economics of the second-best, a theory that demonstrated that piecemeal establishing of individual first best conditions would not necessarily raise welfare in a situation in which all first best conditions could not be satisfied, an article that he co-authored with ...
