The gratify- ing responses of both instructors and students to the fi rst ten editions of Psychology have been a wonderful source of encouragement for these efforts. In the three years since the last revision, the thousands of psychologists at work in research have given us an enormous amount of new information.

Introduction to Psychology 10th edition | 9781133956600 ...

The 10th edition of this book is actually much better than the 11th (I bought both for my I/O PSY class). Chapters 9-13 are particularly insightful. I sold my 11th edition but will be keeping the 10th. The 10th edition is also the last edition written solely by Muchinsky, before his death last year.
