THE PSYCHOLOGY OF WOMEN, International Edition includes a chapter on old age as well as discussions of topics such as welfare issues, pregnancy, and women's retirement, which are central in many women's lives but not consistently covered in other texts.

The Psychology of Women, International Edition: Amazon.co ...

Feminine psychology is an approach that focuses on social, economic, and political issues confronting women all throughout their lives. It can be considered a reaction to male-dominated theories such as Sigmund Freud's view of female sexuality. The groundbreaking works of Karen Horney argued that male realities cannot describe female psychology or define their gender because they are not informed by girls' or women's experiences. Theorists therefore claimed this new approach was required, and th

Six Keys to Understanding Women | Psychology Today

Psychology of Women Quarterly (PWQ) is a feminist, scientific, peer-reviewed journal that publishes empirical research, critical reviews and theoretical articles that advance a field of inquiry, teaching briefs, and invited book reviews related to the psychology of women and gender. This journal is a member of the Committee on Publication Ethics (COPE).

Psychology of Women Quarterly: SAGE Journals

Originally founded in 1988 as The Psychology of Women Section, the modern version of POWES works to encourage psychological research which challenges negative assumptions about minority groups and which challenges processes of exclusion, marginalisation and oppression in fields of study and practice, while also maintaining a strong inter-disciplinary focus, seeking to work and build inclusive alliances across disciplines.
