Reggaeton (reggaetón, reguetón) is a form of urban music that became popular with Latin American youth in the early 1990s. After its mainstream exposure in 2004, it spread to North American, European and Asian audiences. Reggaeton's predecessor originated in Panama as reggae en español. After the music's gradual exposure in Puerto Rico, it eventually evolved into a new musical style known ...

### Clubs, Reggae in Islington | Events | The List

Reggaeton is characterized by rough, monotone rapping in Spanish and driving dancehall "riddims." It's becoming the dance music for a generation of young Latinos. While only recognized as a style in the 1990s, reggaeton has its roots in the '70s, when Jamaican workers moved to Panama to work on the canal and brought reggae music with them ...

A hybrid of reggae and rap, reggaeton is a music with Spanish-language lyrics and Caribbean aesthetics that has taken Latin America, the United States, and the world by storm. Superstars—including Daddy Yankee, Don Omar, and Ivy Queen—garner international attention, while aspiring performers use digital technologies to create and circulate their own tracks. Reggaeton brings together critical assessments of this wildly popular genre. Journalists, scholars, and artists delve into reggaeton's local roots and its transnational dissemination; they parse the genre's aesthetics, particularly in relation to those of hip-hop; and they explore the debates about race, nation, gender, and sexuality generated by the music and its associated cultural practices, from dance to fashion. The collection opens with an in-depth exploration of the social and sonic currents that coalesced into reggaeton in Puerto Rico during the 1990s. Contributors consider reggaeton in relation to that island, Panama, Jamaica, and New York; Cuban society, Miami's hip-hop scene, and Dominican identity; and other genres including reggae en español, underground, and dancehall reggae. The reggaeton artist Tego Calderón provides a powerful indictment of racism in Latin America, while the hip-hop artist Welmo Romero Joseph discusses the development of reggaeton in Puerto Rico and his refusal to embrace the upstart genre. The collection features interviews with the DJ/rapper El General and the reggae performer Renato, as well as a translation of "Chamaco's Corner," the poem that served as the introduction to Daddy Yankee's debut album. Among the volume's striking images are photographs from Miguel Luciano's series Pure Plantainum, a meditation on identity politics in the bling-bling era, and photos taken by the reggaeton videographer Kacho López during the making of the documentary *Bling'd: Blood, Diamonds, and Hip-Hop*. Contributors: Geoff Baker, Tego Calderón, Carolina Caycedo, Jose Davila, Jan Fairley, Juan Flores, Gallego (José Raúl González), Félix Jiménez, Kacho López, Miguel Luciano, Wayne Marshall, Frances Negrón-Muntaner, Alfredo Nieves Moreno, Ifeoma C. K. Nwankwo, Deborah Pacini Hernandez, Raquel Z. Rivera, Welmo Romero Joseph, Christoph Twickel, Alexandra T. Vazquez

Latino music as an amalgam of American cultures.

The Afro-Latin@ Reader focuses attention on a large, vibrant, yet oddly invisible community in the United States: people of African descent from Latin America and the Caribbean. The presence of Afro-Latin@s in the United States (and throughout the Americas) belies the notion that Blacks and Latin@s are two distinct categories or cultures. Afro-Latin@s are uniquely situated to bridge the widening social divide between Latin@s and African Americans; at the same time, their experiences reveal pervasive racism among Latin@s and ethnocentrism among African Americans. Offering insight into Afro-Latin@ life and new ways to understand culture, ethnicity, nation, identity, and antiracist politics, The Afro-Latin@ Reader presents a kaleidoscopic view of Black Latin@s in the United States. It addresses history, music, gender, class, and media representations in more than sixty selections, including scholarly essays, memoirs, newspaper and magazine articles, poetry, short stories, and interviews. While the selections cover centuries of Afro-Latin@ history, since the arrival of Spanish-speaking Africans in North America in the mid-sixteenth-century, most of them focus on the past fifty years. The central question of how Afro-Latin@s relate to and experience U.S. and Latin American racial ideologies is engaged throughout, in first-person accounts of growing up Afro-Latin@, a classic essay by a leader of the Young Lords, and analyses of U.S. census data on race and ethnicity, as well as in pieces on gender and sexuality, major-league baseball, and religion. The contributions that Afro-Latin@s have made to U.S. culture are highlighted in essays on the illustrious Afro-Puerto Rican bibliophile Arturo Alfonso Schomburg and music and dance genres from salsa to mambo, and from boogaloo to hip hop. Taken together, these and many more selections help to bring Afro-Latin@s in the United States into critical view. Contributors: Afro-Puerto Rican Testimonies Project, Josefina Baéz, Ejima Baker, Luis Barrios, Eduardo Bonilla-Silva, Adrian Burgos Jr., Ginetta E. B. Candelario, Adrián Castro, Jesús Colón, Marta I. Covering everything from sports to art, religion, music, and entrepreneurship, this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States. According to the latest census data, less than 13 percent of the U.S. population identifies as African American; African Americans are still very much a minority group. Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture—in music, the arts, and entertainment; in education and religion; in sports; and in politics and business. African American Culture: An Encyclopedia of People, Traditions, and Customs covers virtually every aspect of African American cultural expression, addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post-Obama era. The most comprehensive reference work on African American culture to date, the book covers topics such as black contributions to literature and the arts, music and entertainment, religion, and professional sports. It also provides coverage of less-commonly addressed subjects, such as African American fashion practices and beauty culture, the development of jazz music across different eras, and African American business. • Identifies influential aspects of African American culture through entries on topics such as African Americans in sports, in musical genres such as blues, gospel, hip hop, and jazz, and in religions such as Christianity, Islam, and Yoruba • Makes clear the numerous ways African Americans have produced, maintained, and evolved their culture in the United States • Enables readers to truly comprehend what "diversity" is by gaining substantive knowledge of how a particular group of persecuted people has learned to thrive artistically and culturally in the United States
