Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!

In Olen Steinhauer's explosive New York Times bestseller, Milo Weaver has tried to leave his old life of secrets and lies behind by giving up his job as a "tourist" for the CIA an undercover agent with no home, no identity and working a desk at the CIA's New

Acces PDF Renault Clio Hatchback Special Editions 12 16v Bizu 3dr

York headquarters. But staying retired from the field becomes impossible when the arrest of a long-sought-after assassin sets off an investigation into one of Milo's oldest colleagues and friends. With new layers of intrigue being exposed in his old cases, he has no choice but to go back undercover and find out who's been pulling the strings once and for all. In *The Tourist*, Olen Steinhauer—twice nominated for the Edgar Award—tackles an intricate story of betrayal and manipulation, loyalty and risk, in an utterly compelling novel that is both thoroughly modern and yet also reminiscent of the espionage genre's most touted luminaries.

You've seen the TV series, now read the book. _____ **A NOOSE IS TIGHTENING AROUND PRESIDENT JACK RYAN'S AMERICA . . .** A container ship from Shanghai explodes on its approach to Seattle. A US spy vessel in the South China Sea tangles with the Chinese navy. A stolen USB stick recovered in Texas exposes a terrorist conspiracy. As America is outmaneuvered by an increasingly bold President Zhou of China, Jack Ryan depends on the operatives of the Campus secret intelligence agency to plug the gaps between diplomacy and negotiation. But as an international summit approaches, Ryan must face Zhou alone. What he doesn't know is that the secret mastermind plotting conspiracy and destruction has had the leader of the free world in his sights all along . . . Praise for Tom Clancy 'He constantly taps the current world situation for its imminent dangers and spins them into an engrossing tale' *New York Times* 'Heart-stopping action ... entertaining and eminently topical' *Washington Post* 'Exhilarating. No other novelist is giving so full a picture of modern conflict' *Sunday Times* 'A brilliantly constructed thriller that packs a punch like *Semtex*' *Daily Mail* 'A virtuoso display of page-turning talent' *Sunday Express*
