The challenges that space poses for political theory are profound. Yet until now, the exploration and utilization of space has generally reflected – but not challenged – the political patterns and impulses which characterized twentieth-century politics and International Relations. This edited volume analyses a number of controversial policies, and contentious strategies which have promoted ...

Securing Outer Space: International Relations Theory and ...

The essays here seek to ‘bring back space’ into the realm of International Relations discourse, from which it has been largely removed, marginalized and silenced. The various chapters do this by highlighting how activities in outer space are always connected to earth-bound practices and performances of the every day.

"Securing Outer Space" will be of great interest to students of space power, critical security
studies and IR theory. About the Author Natalie Bormann teaches at the Department of
Politics at Northeastern University, Boston, USA.

Securing Outer Space: 1 (Routledge Critical Security ...
Outer space is an increasingly competitive environment. This raises incentives for states to
place conventional weapons in outer space. The 1967 Outer Space Treaty (OST), the
applicable legal regime, is silent on the legality of the placement of conventional weapons,
however.

Publication | Prevention of an Arms Race in Outer Space ...
Johnson-Freese offers a strategic approach to space based on " soft power, " which
includes developing space governance, expanding the " peaceful uses " of space as
understood in the Outer Space Treaty, liberalizing space commerce, expanding
commitments to human spaceflight and developing an inclusive space exploration global
partnership among spacefaring states.

Space Strategy, Policy, and Power - International ...
The junction of cybersecurity and space security should be taken seriously and certainly
requires specific international assessments. Possible steps include the creation of a new
group of governmental experts to provide guidance on this topic as well as the production of
more working papers to build upon during international fora such as the Conference on
Disarmament.
