(Bloomberg) -- A red-hot rally in risk assets is singeing bond bears who loaded up on short wagers ahead of this week ' s U.S. presidential election. Short interest as a percentage of shares outstanding on the \$26. Everything Rally Burns Investors Who Piled Into Junk-Bond Shorts.

Everything on Treasuries, munis, bond funds, and more! The bond buyer ' s answer book—updated for the new economy “ As in the first two editions, this third edition of The Bond Book continues to be the ideal reference for the individual investor. It has all the necessary details, well explained and illustrated without excessive mathematics. In addition to providing this essential content, it is extremely well written. ” —James B. Cloonan, Chairman, American Association of Individual Investors “ Annette Thau makes the bond market interesting, approachable, and clear. As much as investors will continue to depend on fixed-income securities during their retirement years, they ' ll need an insightful guide that ensures they ' re appropriately educated and served. The Bond Book does just that. ” —Jeff Tjernejo, Research Director, U.S. and Canada, Lipper, Thomson Reuters “ Not only a practical and easy-to-understand guide for the novice, but also a comprehensive reference for professionals. Annette Thau provides the steps to climb to the top of the bond investment ladder. The Bond Book should be a permanent fixture in any investment library! ” —Thomas J. Herzfeld, President, Thomas Herzfeld Advisors, Inc.

Where To Download The Bond Book Everything Investors Need To Know About

“ If the financial crisis of recent years has taught us anything, it ’ s buyer beware. Fact is, bonds can be just as risky as stocks. That ’ s why Annette Thau ’ s new edition of The Bond Book is essential reading for investors who want to know exactly what ’ s in their portfolios. It also serves as an excellent guide for those of us who are getting older and need to diversify into fixed income. ” —Jean Gruss, Southwest Florida Editor, Gulf Coast Business Review, and former Managing Editor, Kiplinger ’ s Retirement Report About the Book The financial crisis of 2008 caused major disruptions to every sector of the bond market and left even the savviest investors confused about the safety of their investments. To serve these investors and anyone looking to explore opportunities in fixed-income investing, former bond analyst Annette Thau builds on the features and authority that made the first two editions bestsellers in the thoroughly revised, updated, and expanded third edition of The Bond Book. This is a one-stop resource for both seasoned bond investors looking for the latest information on the fixed-income market and equities investors planning to diversify their holdings. Writing in plain English, Thau presents cutting-edge strategies for making the best bond-investing decisions, while explaining how to assess risks and opportunities. She also includes up-to-date listings of online resources with bond prices and other information. Look to this all-in-one guide for information on such critical topics as:

- Buying individual bonds or bond funds
- The ins and outs of open-end funds, closed-end funds, and exchange-traded funds (ETFs)
- The new landscape for municipal bonds: the changed rating scales, the near demise of bond insurance, and Build America Bonds (BABs)
- The safest bond funds
- Junk bonds (and emerging market bonds)
- Buying Treasuries without paying a commission
- From how bonds work to how to buy and sell them to what to expect from them, The Bond Book, third edition, is a must-read for individual investors and financial advisers who want to enhance the fixed-income allocation of their portfolios.

Annette Thau
In today's volatile financial environment, growing numbers of investors are looking to flee the stock market in search of safer ground. While the bond market has often been a "safe haven", confusing new bonds and bond funds make it increasingly difficult for unfamiliar investors to choose the correct fixed income investments. The Bond Book provides investors with the information and tools they need to make bonds a comforting, important, and profitable component of their portfolios. Thoroughly revised, updated, and expanded from its bestselling first edition, this all-in-one sourcebook includes: -- A new section on using the Internet to research, buy, and sell bonds-- A new chapter devoted to increasingly popular foreign bonds-- Detailed information on the inflation-linked Treasury bonds

getAbstract Summary: Get the key points from this book in less than 10 minutes. This is an accessible introduction to bonds by a financial professional whose first book - as unlikely as it may seem - was a study of Max Jacob, the French poet. The literary background of the author, Annette Thau, may account for her book's clear, easy-to-read style. Most authors who write about bonds tend to get lost in the complex mathematics and specialized jargon of the bond markets. Not Annette Thau. Whether you are an individual investor trying to balance your portfolio with bonds, or a student of finance looking for a more lucid explanation of the subject than you can find in your textbooks, getAbstract highly recommends this book to you. Book Publisher: 2001 McGraw-Hill

The bestselling bond investing classic updated to help you profit today and position yourself for the post-COVID era and decade ahead Since the 2008 global financial crisis, the investing world has changed radically. Credit is more difficult to access, populations across the world are aging, and economic growth has been tepid.

And now, the global pandemic has shaken the global financial system to its core. Investors are facing a future where structural—rather than cyclical—change will have greater impact on financial markets. In this new edition of *The Strategic Bond Investor*, you ’ ll find everything you need to generate profits while mitigating risk in the “ new normal. ” PIMCO Executive Vice President and lead investing strategist Anthony Crescenzi explains how deeply the bond market impacts the global economy, the best ways to invest in bonds, and how to “ read ” this market to inform your overall strategy. Along the way, Crescenzi provides unique and invaluable insights into the role of the bond market in recent economic crises (both 2008 and 2020), in an era of the rise of socially responsible investing, and at a time when we may well be witnessing a seismic shift in economic and financial power from the United States to China. Crescenzi draws on his vast experience, as well as personal conversations with Alan Greenspan, Ben Bernanke, Janet Yellen, and other influential figures in finance, politics, and academia. He provides a glimpse at PIMCO ’ s storied investment process, along with numerous types of investment strategies to meet various investing goals. *The Strategic Bond Investor* has guided investors through the capital markets for nearly two decades. Use this updated edition to achieve investing success in the next decade.

Explains the basics of bond investment, covering such topics as portfolio building, taxes on interest, working with a broker, and risk, and discusses the advantages and disadvantages of selecting bonds issued by specific entities.

Discover Profit Opportunities in Today ’ s Bond Market! “ Tony Crescenzi knows bonds and his book proves it. ” Bill Gross, Managing Director, Pacific Investment Management Company In 2002, Anthony Crescenzi opened the door to an innovative new style of investing with his publication of *The Strategic Bond Investor*. The book instantly became the go-to guide for investors

seeking an aggressive yet risk-conscious path to profit. Now, Crescenzi provides a completely updated edition of his popular bond book to address the realities of the post-credit-crisis economy—and to help you take total advantage of everything bonds have to offer. More relevant now than ever, *The Strategic Bond Investor* provides a sorely needed alternative to the stock market game—where the rewards for taking risks have been less than desirable. The bond market tends to be relatively safe and accessible, but it can also be vibrant and highly profitable if you approach it the right way. Crescenzi offers a fully rounded education on the subject to help better prepare you to make profitable decisions every time. *The Strategic Bond Investor* demystifies bonds and the bond market with clear descriptions of: Different bond types, including U.S. Treasuries, corporate bonds, and municipal bonds Bond market risks—and how to mitigate them The powerful role of the Federal Reserve and the art of Fed watching How to read the bond market 's “ crystal ball ” —the yield curve The five tenets of successful interest-rate forecasting Techniques for forecasting market behavior How to use credit ratings to your advantage The best bond investing strategies This comprehensive, up-to-the-minute guide provides straightforward techniques for cashing in on the unlimited potential of bond investing—whether your interests are long or short term. Now is not the time to play games with your financial future. Learn the secret to investing profitably in the bond market while offsetting portfolio risks with *The Strategic Bond Investor*.

What's the difference between growth investing and value investing? How much risk is acceptable? Does anyone really read a prospectus? Even in the best economic conditions, investment decisions can be overwhelming. In a down economy, it can be downright frightening! But with this helpful guide, you'll learn to successfully navigate the financial markets with confidence. Written by a seasoned investment advisor, this guide features: Exchange-

traded funds, the popular investing trend. Step-by-step guidance for novice online investors. Insider advice on choosing the right financial advisor. How to minimize investing taxes ...and keep more profits The best ways to profit in any economy Completely updated to include the best ways to profit in a rocky economy, this easy-to-follow guide shows you how to build--and hold on to--personal wealth. This edition includes completely new material on strategies to knock out debt and set realistic investment goals, tips for tracking the your investments, exchange-traded funds (ETFs), and green investing

Praise for the Classic Guide to the Bond Market "This is simply the most comprehensive, useful look-it-up book onmunicipal bonds I've ever read (said with all due respect to TheABC of Municipal Bonds my dad wrote in 1937 when I was nine). ReadFundamentals cover to cover. I'm keeping mine in my briefcase,under my arm, at my fingertips. No accountant, financial advisor,attorney, new bond salesman, reporter, regulator, test-writer,cautious, suspicious first-time investor in municipal bonds, ordinner guest is ever going to catch me again with a question aboutmunicipal bonds I can't answer."-Jim Lebenthal, Chairman, Lebenthal& Co. "Judy Wesalo Temel gives us the Rosetta stone of the municipal bondmarket, the key to unraveling the many mysteries of 'muni's.' Herbook, a fresh take on the old standard Fundamentals of MunicipalBonds, updates chapter and verse on everything from investing tounderwriting, from over-the-counter to over-the-Internet. The styleis clean, crisp, and as simple as this complex subject can be. Areyou a novice who wonders how to invest in bonds? She lays out thebasics. Examples are easy to follow-even the mathematical ones thatare critical to explaining how municipal bonds work. At the sametime, there is plenty of meat for the pros. Whether you need tostart from square one and learn all about municipal bonds and howthey work, or need a ready reference for specific technicalquestions you run across as a market professional, this book is foryou."-Kathleen Hays,

Economics Editor, Credit Markets Reporter, and "Bond Belle" CNBC. "This is a must-read for every scholar, banker, and public official concerned with local government finance in the United States. Judy Wesalo Temel has done the impossible: she has clearly and insightfully explained how we finance the development of the nation's vital public infrastructure. This is an important book, one that will be required reading for professionals responsible for planning, designing, and evaluating publicly financed projects—the health care, transportation, and educational facilities that all citizens rely upon. The bond market is an essential element in the life of local and state government, and this book makes it understandable to all Americans." -Mitchell Moss, Henry Hart Rice Professor of Urban Planning and Director, Taub Urban Research Center, Robert F. Wagner Graduate School of Public Service, New York University

Investors who've primarily purchased equity securities in the past have been looking for more secure investment alternatives; namely, fixed income securities. This book demystifies the sometimes daunting fixed income market, through a user-friendly, sophisticated, yet not overly mathematical format. Investing in Fixed Income Securities covers a wide range of topics, including the different types of fixed income securities, their characteristics, the strategies necessary to manage a diversified portfolio, bond pricing concepts, and more, so you can make the most informed investment decisions possible.
