Pearl 's vision of Reconnective Healing should be read by health-care professionals who wish to foster a higher level of healing in their patients and, in the process, heal themselves. The Reconnection should also be read by patients so they can not only heal themselves, but assist in the healing of others—and, through their example, they can inform their conventional physicians about contemporary energy medicine and the healing power of The Reconnection. ”

Former chiropracter Eric Pearl describes the miraculous Reconnective Healing process.

Why are prominent doctors, quantum physicists, and researchers all over the world interested in the seemingly chance encounter that Dr. Eric Pearl had with one of his patients? What was it about that encounter that would not only radically accelerate the trajectory of his life, but ultimately affect the lives of millions . . . and will most likely profoundly affect your life as well? What is this phenomenon? In his international bestseller, *The Reconnection: Heal Others, Heal Yourself*, Dr. Pearl taught readers how to access and tap into a comprehensive spectrum of energy, light, and information previously inaccessible to anyone, anywhere. In doing so, he allowed us to entirely transcend complex energy-healing "techniques" and bring about dramatic, often instantaneous, lifelong healings and life transformations! Since then, the world has clamored for Eric ' s second book. His response? When I have something else to say. Today Dr. Pearl, in collaboration with Frederick Ponzlov, indeed has something else to say. You might have to reconsider everything you ' ve read up until now about healing, consciousness, and our four-dimensional existence here on Earth. As guided by the spirit of Solomon, an extradimensional intelligence that speaks through Frederick, experience firsthand the insights imparted during the evolution of this unique transmodality known today as Reconnective Healing. Now you can discover these insights and apply them to your life—insights that have revolutionized the healing world and given us the key to access the immense power that we each have within our lives. Solomon speaks. . . .

Why are prominent doctors and medical researchers all over the world interested in the extraordinary healings reported by the patients of Dr. Eric Pearl? What does it mean when these patients report the sudden disappearance of afflictions such as cancers, AIDS-related diseases, and cerebral palsy? And what does it mean when people who interact with Dr. Pearl report a sudden ability to access this healing energy not just for themselves, but for others, too? What is this phenomenon? Well, you might have to reconsider everything you've read up until now about conventional healing. The "new" frequencies of healing described by Dr. Pearl transcend "technique" entirely and bring you to levels beyond those previously accessible to anyone, anywhere. This book takes you on Dr. Pearl's journey from the discovery of his ability to facilitate healings, to his well-deserved reputation as the instrument through which this process is being introduced to the world. But most important, The Reconnection reveals methods you can use to personally master these new healing energies.

Every human being feels the need to HEAL at some point in life and to find forgiveness, strength and understanding to live each day with positivity and grace. senses we are all born with. Whether one is beginner or an established healer, this book is a valuable guide to creating a life of consciousness and purpose. It serves as a basic handbook of living and a complimentary tool to other healing therapies one may already be practicing. Each volume presents processes for 21 days, to help discover: the well of wisdom within; the sacredness of togetherness in our relationships; the soulful connections with our loved ones; and the truths about our own existence. Each of the three parts empowers healing by using a set of simple tools and techniques, encouraging us to turn the everyday pages of our lives differently. We first learn to heal ourselves, then our relationships, and finally our loved ones. HEALING IS THE GIFT WE CAN GIVE OURSELVES AND THOSE AROUND US.

Acupuncturist and herbalist Aimee Raupp, M.S., L.Ac., offers a holistic plan for healing from autoimmune disease through reconnection to yourself, renewal of your beliefs, and reawakening of your health. This book will guide you on a life-changing path to radically shift your health and love your body more. Raupp posits that the rampant rise in autoimmune illness is due to three co-existing factors: body disconnect (a loss of connection to the spiritual, emotional, and physical aspects of self, resulting in systemic body chaos), behavioral sabotage (where deep-rooted beliefs negatively dictate your behavior, which dictates your health), and environmental toxins (exposure to external disease-promoting elements). With warmth, sensitivity, and practicality, Raupp will help you to resurrect your full potential to happily and gracefully inhabit your body and mind. As you follow Raupp ' s two-phase Body Belief diet and Body Belief lifestyle roadmap, your health will begin to thrive, both inside and out. Included are a diet plan, shopping lists, menus, meditations, mantras, and DIY and commercial suggestions for bath, beauty, and home products for self-care.

linked with different stages of development • Details the author ' s system of Chakra Therapy, which integrates healing touch with chakra visualizations • Offers practical exercises to nourish and support each chakra as well as practices for daily chakra maintenance In this in-depth guide to working with the chakras, author Glen Park draws on her decades of experience as a Chakra Therapist to explain how the chakras can be understood as an embodied map of the psyche, with each chakra representing a different stage of development from infancy and childhood through adulthood, with the Heart Chakra playing a central role in awakening the spiritual potential of the upper chakras. She examines each chakra individually on the physical, psychological, psychic, and spiritual level, as well as through the lens of the solar (masculine) and lunar (feminine) channels. She shows how the connections between the chakras and developmental stages are paralleled in the findings of Western psychology and neuroscience and how our collective expressions of the chakras influence cultural trends in society. The author ' s system of Chakra Therapy integrates healing touch with guided chakra visualizations, offering practical exercises to nourish and balance each chakra so it can be integrated and in harmony with the entire chakra system. She explores how to work with the Heart Chakra for deep transformation and self-healing, including healing emotional wounds from childhood and enabling the psychic and spiritual levels of the Throat and Eye Chakras to develop, with the potential of opening to the divine realm of the Crown Chakra. Sharing case studies from her Chakra Therapy practice, she shows how we gain a richer understanding of ourselves both mentally and physically by working with the chakras, opening ourselves to the potential for deep soul growth and transformation.
