Parents need to know that The Shadow Cabinet is the third book in the Shades of London mystery series. Although the first two books focused more on Jack the Ripper and ghosts, Book 3 dives headlong into the occult. The first flashback scene shows 10, possibly 12, people poisoned in a creepy ceremony.

Shadow Cabinet - The Labour Party

The finale of the Shades of London trilogy was filled with action and excitement. Jane and the other members of her forty year old cult haven't stopped hunting for Rory so that she can go to the other world and bring back Sid and Sadie. Jane has had that as her goal since a failed ritual in 1973 left them in a half-alive state.
