The definitive family biography of President Donald Trump. The revealing story of the Trumps mirrors America's transformation from a land of striving immigrants to a world in which the aura of wealth alone can guarantee a fortune. The Trumps begins with a portrait of President Trump's immigrant grandfather, who as a young man built hotels for miners in Alaska during the Klondike gold rush. His son, Fred, took advantage of the New Deal, using government subsidies and loopholes to

construct hugely successful housing developments in the 1940s and 1950s. The profits from Fred's enterprises paved the way for President Trump's roller-coaster ride through the 1980s and 1990s into the new century. With his talent for extravagant exaggeration—he calls it “truthful hyperbole”—President Trump turned the deal-making know-how of his forebears into an art form. By placing this much-publicized life within the context of family, Gwenda Blair adds a new dimension to the larger-than-life figure who ascended to the American Presidency.

Donald Trump, the canny deal maker, is the third generation of an entrepreneurial family with a turbulent history and extraordinary achievements. This book tells the story of the three Trump generations from immigration to fame and wealth. Donald's German grandfather Friedrich came to America with one suitcase. A hotel and saloon keeper during the Klondike gold rush, he later opened a storefront real estate operation. Fred, Friedrich's eldest son, started building houses while still in high school. He constructed thousands of new homes in

force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward

over seven volatile months—an utterly vivid window into Trump’s mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, Rage shows how Trump’s responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary
