Includes glossary & index.

Understanding Business has long been the market leader because we listen to instructors and students. With this eleventh edition we are proud to offer a platinum experience, that: Improves Student Performance—Understanding Business puts students at the center. It ' s the only learning program on the market to offer proven adaptive technology that increases grades by a full letter through Connect® Business, and the only program to offer the first and only adaptive eBook ever, SmartBook. Enhances your Teaching—The authors are dedicated to supporting your teaching and your student ' s learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All—This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What ' s more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components. Choose a platinum experience. Choose Understanding Business.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

Discover the business law and legal environment book you ' ll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they ' ve ever read. Beatty/Samuelson/Abril's BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 9E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly, thorough presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their experience practicing law to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality.
