Wildlife in captivity - change for animals  
Zoos prefer having baby animals (for attracting attention). However, when the animals mature, zoos quickly sell or trade them. They keep capturing wild animals for profit. As previously mentioned, conservation is not always the top priority. Above all, most zoos care about entertaining their visitors, not educating them.

## 19 Heartbreaking Animals in Captivity Statistics

**WILD ANIMALS AND THE CAPTIVITY ISSUE** Wild animals, whether born in the wild or in captivity, may suffer significantly from life in captivity. Born Free is committed to preventing animal suffering and protecting threatened species in their natural habitats.
